This is to certify that ***M/S. SRI KRISHNA COLLEGE
OF TECHNOLOGY HOD, CIVIL***

is a PATRON MEMBER of Builders' Association of India

COIMBATORE

Centre

(20th October 2015)

Membership No. :

TN/CBT/S/241/PAT

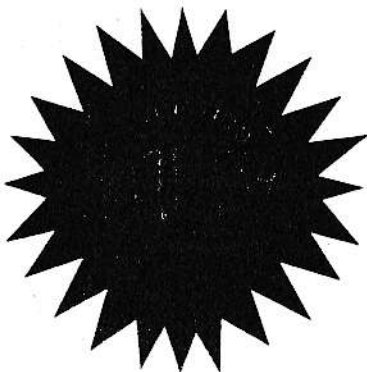

For Builders' Association of India

President / Hon. Gen. Secretary

For BUILDERS' ASSOCIATION OF INDIA,
COIMBATORE CENTRE,

S.K. CHANDRASSEKAR
CHAIRMAN

Chairman of the Centre

Recognizing the significance of their partnership, to conduct training & development program for students & workers to meet the growing talent gap in the construction industry. Hereby agree to execute this memorandum of understanding for the mutual benefits of industry and institution free from any financial commitments by either party.

I. PURPOSE

1. This MoU establishes the goals and responsibilities of each parties to design, develop & deliver cost effective, timely training programs to students, staff of both parties and skilled workers enabling them to make better use of resources with available technology.
2. This MoU shall address the talent gap prevailing in the construction industry through industry-academic partnership, shall establish opportunities for students to get trained for the real field and hereby bridge the gap between academic output and Industry expectations.

II. GOALS

1. To promote coordination and cooperation between the parties for training programs.
2. To provide effective training to skilled workers.
3. To provide training to undergraduate / postgraduate students in construction practices.
4. To enhance the participation of students in technical workshops and symposia.
5. To provide guidance to students to execute live construction projects.
6. To improve the use of latest technology in design and development of new construction materials and techniques.
7. To provide economical benefits to both the parties.
8. To exchange ideas on latest construction practices and activities through guest lectures, training programmes, workshops and seminars for BAI members, students, staffs and members of faculty.
9. To take steps towards creating a truly employable work force.

III. RESPONSIBILITIES

A. JOINT RESPONSIBILITIES

1. Any joint responsibility shall be managed by authorized persons as may be appointed or establish a joint working group to manage and execute the cooperative activities under this MoU.
2. Mutually bear any actual/indirect costs incurred for programs under this MoU.
3. Develop detailed procedures for implementation of this MoU jointly signed by both parties.
4. Achieve joint course curriculum design, workers training study materials jointly by both the parties.
5. Jointly organize workshops, seminars, conferences and training programs, guest lecture for students, staff, faculty and BAI members on topics of mutual interest.
6. Organize frequent industry-academic personnel exchanges.

IV. ASSOCIATION

1. Undertake to provide certificates to students for successfully completing the training programmes in BAI member companies.
2. Impart in-plant training to the students.
3. Involve students and staff members of the college in the seminar and conferences of technical importance.
4. Motivate and inspire the students for taking up the construction profession
5. Impart training to fresh engineers so as to have employable talents to take up the assignment as soon as they complete the academic course.
6. Help and guide the students to do their final year project works.
7. Support the events organized by other parties.
8. Conduct essay, oratory and quiz competitions among the civil engineering college students and motivate them.
9. Conduct classes for the students with case studies.

V. INSTITUTION

1. Assign talented faculty, BAI members to spend 1-3 months in member companies involve in both technical and non technical aspects and in turn train the students and workers.
2. Aid students in the familiarization of existing work challenges.
3. Groom technical talent at work places.
4. Support the other parties as sparing their technical staff, class rooms, laboratory and survey equipments etc., for imparting and enhancing technical knowledge of builders' supervisory staff.
5. Provide field test and lab test at subsidized rates as may be mutually agreed.
6. Support the events of the other parties.
7. Organize placement camps for civil engineering students and other allied jobs.

VI. PRINCIPAL CONTACTS

The principal contacts for the instrument are

Chairman, BAI, Coimbatore

Principal, SKCT, Coimbatore

Secretary, BAI, Coimbatore Centre

HOD - Civil Engineering, SKCT

VII. ANNEXURES, AMENDMENTS & REVIEWS

1. Any specifics to operate under this MoU shall be cited in any supplements to this agreement and shall reflect the activity to be carried out by each party shall identify new areas of cooperation as may be of interest and agreed to both the parties.
2. Annually, the authorized person or the joint working as formed under this MoU shall review this agreement for purpose of determining if amendments are needed as may be decided mutually between the parties.
3. This MoU can also be amended by mutual consent through an exchange of correspondence between the two parties.

VIII. DURATION AND TERMINATION

This MoU shall become effective upon the date of approval of the last signatory. Either participating parties may terminate this agreement upon 60 days written notice to the other.

IN WITNESS whereof, the parties hereto have executed this agreement in duplicate on 01st day of November 2015 AT COIMBATORE

Signed

on behalf of
Sri Krishna College of Technology, Coimbatore.

MEMORANDUM OF UNDERSTANDING

between

Sri Krishna College of Technology, Coimbatore

and

Dimensions Structural Designs, Coimbatore

April 5, 2017

Preamble:

Sri Krishna College of Technology, accredited with "A" Grade by National Assessment and Accreditation Council (NAAC), Bangalore, has been granted autonomous status by UGC in the year 2011. The college was approved by All India Council for Technical Education (AICTE), New Delhi and has permanent affiliation to Anna University, Chennai.

x [Signature]

The purpose of Memorandum of Understanding (MoU) with **M/s. Dimensions Structural Designs, Coimbatore** is to establish meaningful collaboration between academia and industry for addressing the global challenges and finding possible solutions by engaging experts from both the sides.

Through this MoU, both industry and academia will jointly focus on sharing latest innovations in technological world and knowing the application-oriented knowledge in specific domains.

The industry can actively participate and utilize the intellectual capabilities of the faculty of institution for fulfilling shared responsibilities and mutual growth for the larger benefit of the human society.

The technocrats from industry can offer stimulating inputs to the institution in designing need-based educational contents for efficacious teaching/training and in developing industry-ready curriculum.

Also, the institution intends to bridge the prevailing skill gap between academic output and industry expectations as well as to increase the employability skills of the students; and also to provide adequate inputs for inter-disciplinary research and development activities.

Scope of Co-operation:

- Both the institution and industry believe that this MoU between the two would be of major benefit to the student community to enhance their skills and knowledge
- The regular interaction between the industry and institution will give an insight into the recent developments/requirements of the industries. So that, students can be shaped to meet the future challenges
- The institution will periodically review the progress and make required suggestions to the top management of the industry
- Joint seminars/workshops could be arranged wherein experts can share their knowledge with the students

The Memorandum:

Accepting this premise and in recognition of the common desire for strengthening mutually beneficial co-operation, the institution and the industry do hereby agree:

- To enhance the employability skills and accumulation of domain-specific knowledge
- To facilitate students in internships and in-plant training programmes
- To engage in intellectual dialogues to know the recent technological advancements in the academics and expectations of the industry

x 

x 

- To study the growing demands of the industry and advise the board of studies in imparting holistic education
- To organize webinars, seminars and workshops regularly to update the advanced technologies and best practices in the industries
- To groom the students for getting placed

MoU:

Both the institution and industry value the spirit of this MoU and would strive continuously to develop its various features.

Signed in Duplicate

By signing below, both the institution and industry, acting by their duly authorized officers, have caused this Memorandum of Understanding to be executed effectively from 05/04/17.

The purpose of Memorandum of Understanding (MoU) with M/s. Blutec, Coimbatore is to establish meaningful collaboration between academia and industry for addressing the global challenges and finding possible solutions by engaging experts from both the sides.

Through this MoU, both industry and academia will jointly focus on sharing latest innovations in technological world and knowing the application-oriented knowledge in specific domains.

The industry can actively participate and utilize the intellectual capabilities of the faculty of institution for fulfilling shared responsibilities and mutual growth for the larger benefit of the human society.

The technocrats from industry can offer stimulating inputs to the institution in designing need-based educational contents for efficacious teaching/training and in developing industry-ready curriculum.

Also, the institution intends to bridge the prevailing skill gap between academic output and industry expectations as well as to increase the employability skills of the students; and also to provide adequate inputs for inter-disciplinary research and development activities.

Scope of Co-operation:

- Both the institution and industry believe that this MoU between the two would be of major benefit to the student community to enhance their skills and knowledge
- The regular interaction between the industry and institution will give an insight into the recent developments/requirements of the industries. So that, students can be shaped to meet the future challenges
- The institution will periodically review the progress and make required suggestions to the top management of the industry
- Joint seminars/workshops could be arranged wherein experts can share their knowledge with the students

The Memorandum:

Accepting this premise and in recognition of the common desire for strengthening mutually beneficial co-operation, the institution and the industry do hereby agree:

- To enhance the employability skills and accumulation of domain-specific knowledge
- To facilitate students in internships and in-plant training programmes
- To engage in intellectual dialogues to know the recent technological advancements in the academics and expectations of the industry

x 

x 

- To study the growing demands of the industry and advise the board of studies in imparting holistic education
- To organize webinars, seminars and workshops regularly to update the advanced technologies and best practices in the industries
- To groom the students for getting placed

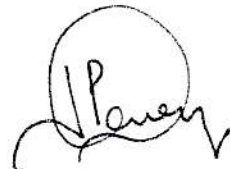

MoU:

Both the institution and industry value the spirit of this MoU and would strive continuously to develop its various features.

Memorandum of Understanding

WHEREAS, the **SRI KRISHNA COLLEGE OF TECHNOLOGY** hereafter called as **SKCT** which is affiliated to Anna University, Tamil Nadu, INDIA, and the **CAFET-INNOVA TECHNICAL SOCIETY** hereafter called as **CITS** which is headquartered in Hyderabad, have come together to cooperate on the following activities:

a) Joint Research and Consultancy:

SKCT faculty and students who are interested in research activities can participate in some of the collaborative projects handled by CITS in liaison with Industry Clients. SKCT may have to identify potential participants with excellent track record in undertaking projects and disclose their expertise so that CITS can assign related consultancy works and vice versa.

b) Joint Events:

SKCT and CITS can jointly organize the technical events like Symposiums, Conferences, Workshops, and Guest Lectures on regular basis to create a platform for discussion forums where the academic and industry experts can exchange their ideas and join hands for collaborative research.

c) Joint Publications:

The faculty and students of SKCT can jointly publish research papers with engineers and scientists of CITS in Journals published by CITS and other leading publishers. SKCT may have to subscribe to all the periodicals published by CITS whereas the faculty and students can avail free publication on annual basis.

WHEREAS, the partner organizations listed above have agreed to enter into a collaborative agreement in which the SKCT will be the lead agency and CITS will be the partner agency in this application; and

WHEREAS, the partner organizations herein desire to enter into a Memorandum of Understanding starting the services to be provided by the collaborative for a period of five (5) years from the date of agreement.

SKCT and CITS can jointly organize the technical events like Symposiums, Conferences, Workshops, and Guest Lectures on regular basis to create a platform for discussion forums where the academic and industry experts can exchange their ideas and join hands for collaborative research.

c) Joint Publications:

The faculty and students of SKCT can jointly publish research papers with engineers and scientists of CITS in Journals published by CITS and other leading publishers. SKCT may have to subscribe to all the periodicals published by CITS whereas the faculty and students can avail free publication on annual basis.

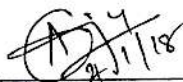

WHEREAS, the partner organizations listed above have agreed to enter into a collaborative agreement in which the SKCT will be the lead agency and CITS will be the partner agency in this application; and

WHEREAS, the partner organizations herein desire to enter into a Memorandum of Understanding starting the services to be provided by the collaborative for a period of five (5) years from the date of agreement.

**MEMORANDUM OF UNDERSTANDING
BETWEEN
ECO GREEN TECHNOLOGIES, COIMBATORE
AND
DEPARTMENT OF CIVIL ENGINEERING,
SRI KRISHNA COLLEGE OF TECHNOLOGY
FOR
COORDINATION AND COOPERATION IN STUDENT EDUCATION
ENHANCEMENT & WORKERS TRAINING**

ECO GREEN Technologies Coimbatore and the Department of Civil Engineering of Sri Krishna College of Technology, herein after referred as parties, found it mutually beneficial to have a formal understanding between them.

Recognizing the significance of their partnership, to conduct training & development program for students & workers to meet the growing talent gap in the construction industry. Hereby agree to execute this memorandum of understanding for the mutual benefits of industry and institution free from any financial commitments by either party.

I. PURPOSE

1. This MoU establishes the goals and responsibilities of each parties to design, develop & deliver cost effective, timely training programs to students, staff of both parties and skilled workers enabling them to make better use of resources with available technology.
2. This MoU shall address the talent gap prevailing in the construction industry through industry-academic partnership, shall establish opportunities for students to get trained for the real field and hereby bridge the gap between academic output and Industry expectations.

II. GOALS

1. To promote coordination and cooperation between the parties for training programs.
2. To provide effective training to skilled workers.
3. To provide training to undergraduate / postgraduate students in construction practices.
4. To enhance the participation of students in technical workshops and symposia.

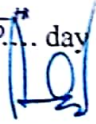

VII. ANNEXURES, AMENDMENTS & REVIEWS

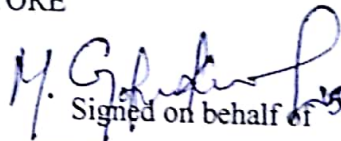

1. Any specifics to operate under this MoU shall be cited in any supplements to this agreement and shall reflect the activity to be carried out by each party shall identify new areas of cooperation as may be of interest and agreed to both the parties.
2. Annually, the authorized person or the joint working as formed under this MoU shall review this agreement for purpose of determining if amendments are needed as may be decided mutually between the parties.
3. This MoU can also be amended by mutual consent through an exchange of correspondence between the two parties.

VIII. DURATION AND TERMINATION

This MoU shall become effective upon the date of approval of the last signatory. Either participating parties may terminate this agreement upon 60 days written notice to the other.

IN WITNESS whereof, the parties hereto have executed this agreement in duplicate on 15th day of NOVEMBER 2018 AT COIMBATORE

Signed on behalf of
Sri Krishna College of Technology,
Coimbatore.

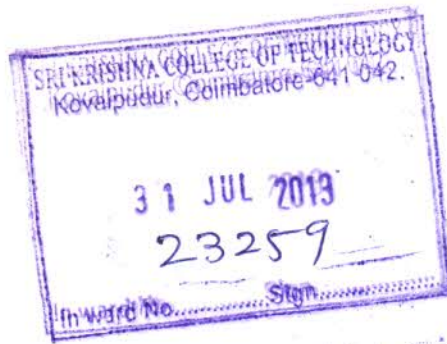

Signed on behalf of
ECOGREEN Technologies

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (herein after referred to as MoU) is entered into on this **05 of MARCH 2013** between **Information Sciences and Communication Engineering**, under **Sri Krishna College of Technology, Arivoli Nagar, Kovaipudur, Coimbatore – 641 042** herein referred to as **Sri Krishna College of Technology**, and **IBM India Private Limited** ('IBM') located at Subramanya Arcade 1, Bannerghatta Road, Bangalore. The scope of the MoU, the roles and responsibilities of the parties of the MoU are given below:

Alliance Objective

This document outlines an intent of working together between IBM and **Sri Krishna College of Technology** in offering the University Program. The primary aim of this collaboration is to aid **Sri Krishna College of Technology** in establishing a high quality faculty repository in software technologies. This will help **Sri Krishna College of Technology** teach and train their students on state-of-the-art, software technologies and to position them to support India's Information Technology initiative.

As opposed to a one time implementation, this initiative requires the total commitment of both IBM and **Sri Krishna College of Technology**. The University Program initiative would allow **Sri Krishna College of Technology**, being one of the foremost institutions in India in the field of Education, to impart training, among others in Computer Applications and Information technology faculties, to design world-class curriculum capable of delivering high caliber IT skills required in the fast changing IT marketplace.

NOW THIS MoU WITNESSETH AS FOLLOWS:

DEFINITIONS AS USED IN THIS MoU:

"**MoU**" means this instrument executed by IBM and **Sri Krishna College of Technology**, and subsequent amendments issued to the **MoU** by mutual consent as provided herein.

"**Program**" means the University Program that is the subject of this MoU.

"**Software**" or "**Product**" means the IBM computer software packages identified for introduction in the Program, refer **Annexure "A"**

"**Curriculum**" means the IBM Course that is integrated with the **Sri Krishna College of Technology's** Main Course, elective or Projects.

"**Business Partner**" means organizations certified by IBM to commercially sell this Program and also conduct training under this program.

1. BENEFITS TO THE Sri Krishna College of Technology

- 1.1 Opportunity to emerge as one of the competent entities in the academic circles in research and development in the area of Information Technology;

- ## 1.2 Benefits to IBM

- 1.2.1 Creation of a resource pool of IBM Software professionals to boost the existing skill level in the country.
- 1.2.2 Inclusion of IBM Software and technologies courses in the course curriculum of (Sri Krishna College of Technology).
- 1.2.3 Availability of skilled students from the Program for projects which would benefit IBM Customers as well as the Business Partners of IBM.

2. RELATIONSHIP BETWEEN THE PARTIES

- 2.1 Neither (Sri Krishna College of Technology) nor IBM is or will be an agent or legal representative or partner of the other. Neither of them is or shall be responsible for the debts incurred by the other or be bound by any contracts or representations made by the other or any obligations undertaken by the other. Neither of them is or shall be an employee or franchisee of the other, nor does this MoU create a joint venture or any similar relationship between them.
- 2.2 Neither party will make any representations pertaining to the other or its business or affairs, without the express prior written consent and approval of the other.

3. Areas of Collaboration

3.1 IBM

- 3.1.1 Software and courseware as mentioned in Annexure A made available to the (Sri Krishna College of Technology) as per the Program. Please note that the software provided in this program should be used strictly for training & enablement purposes for students & faculty members of (Sri Krishna College of Technology). No commercial usage is allowed. Software is available under applicable IBM International Program License Agreements (IPLA) terms and the provisions of this MOU only.
- 3.1.2 To work with (institution) to update its curriculum with IBM Software courses as mutually agreed.

3.2 (Sri Krishna College of Technology)

- 3.2.1 Setting up, operating & maintaining the infrastructure required for training.
- 3.2.2 Promotion of the IBM Software Certification Program among the students; The costs for the same to be borne by the student or the institution.
- 3.2.3 Making faculty and infrastructure available, as per discussions between institution and the business partner (ideally within 3 months of signing of this MoU), for conducting training on site or partner's premises on Payment Basis.
- 3.2.4 Supporting IBM in conducting seminars/workshops for students in the college.
- 3.2.5 Maintenance of trained faculty members for training on IBM software technology.
- 3.2.6 Ensure that the faculty and the infrastructure meet the specifications required for attending and conducting the training, as specified by IBM or its authorized business partner
- 3.2.7 Confirm and process the order along with the due advance payment on IBM authorized business partner.
- 3.2.8 Receive training activities for this program from IBM authorized training partners.

4. MONITORING OF IMPLEMENTATION

A Co-ordination Committee consisting of two faculty members of (Sri Krishna College of Technology) and an officer nominated by IBM will do the monitoring of the implementation of the various aspects of this MoU. There will be an annual review. This review would primarily focus on the curriculum progress, faculty availability and certification.

5. INTELLECTUAL PROPERTY

Title to the intellectual property rights of the software furnished by IBM will at all times remain proprietary to IBM, which however, hereby grants to (Sri Krishna College of Technology) a limited, non-exclusive, royalty-free license to use the same internally. The software's being provided to (Sri Krishna College of Technology) through this MoU shall be governed by the applicable licence agreements of the respective softwares. (Sri Krishna College of Technology) unconditionally agrees to comply with such terms and conditions.

6. LIMITATION OF LIABILITY

Neither party shall be liable for any indirect, punitive, special, incidental or consequential damages arising out of or in connection with this MOU, whether for breach of this MOU or in torts, including loss of business, data, revenue, profits, or for any third party claims against the other (except as specifically admitted by paragraph 2 below) whatsoever.

Q

1. This MoU may be terminated by either party through a notice of one month. Either party may terminate this MoU if either of the parties is frustrated by reasons beyond it's control from going ahead with the implementation of the provision of this MoU. The provisions contained in Clauses 5 ("Intellectual Property Rights"), 6 ('Limitation of Liability') and 7 ("General") will survive any such termination.

-

11. Unless previously consented to in writing by both parties, there shall be no assignment of any interest under this MoU by any party hereto.

12. The laws of the Republic of India shall govern this MoU.

Any and all disputes, controversy or claims related to or arising in connection with this MOU shall first be referred for an informal resolution. If this informal resolution does not resolve the dispute, then the matter will be referred to and settled by binding arbitration in accordance with the Arbitration and Conciliation Act, 1996. The status of any such arbitration shall be Bangalore. The award of the arbitration may be enforceable in any court of competent jurisdiction. Each party shall bear its own costs and fees in connection with the arbitration.

Unless agreed otherwise, the number of arbitrators shall be three, with each side to the dispute being entitled to appoint one arbitrator. The two arbitrators appointed by the parties shall appoint a third arbitrator who shall act as chairman of the proceedings. Vacancies shall be filled in in accordance with the Arbitration and Conciliation Act, 1996. Proceedings shall continue from the stage they were at when the vacancy occurred. If one of the parties refuses or otherwise fails to appoint an arbitrator within 30 days of the date the other party appoints, the first appointed arbitrator shall be the sole arbitrator, provided that the arbitrator was validly and properly appointed. All proceedings shall be conducted, including all documents presented in such proceedings, in the English language. The English language version of this Agreement prevails over any other language version.

13. This MoU supersedes all proposals or other prior representations or communications, either oral or written.

14. All communication between the parties shall be in writing (electronically or otherwise) and in English Language.

This Memorandum of Understanding is intended to express the broad understanding of the parties regarding their working with each other to the extent possible for their mutual benefit.

General Information

This order confirmation is not proof of ownership of any software licenses. You are responsible for paying your reseller for ordered licenses. Software use rights for acquired licenses become permanent once you have made full payment. The official record for this transaction and the Microsoft Open License Agreement (the "License Agreement") that governs your use of the software products displayed above are posted at <https://www.microsoft.com/licensing/servicecenter/> (the "VLSC" Site).

Accessing VLSC

Volume License Service Center (VLSC) provides customers a single, consistent, self-serve experience to securely and easily manage all aspects of software licenses. As an increased security measure, the VLSC Administrator role is automatically assigned to the customer contact whose email address is provided on the Open License order. A partner or other individual from your organization can manage your organization's license(s) once approval is provided by the VLSC Administrator.

Upon logging into VLSC, terms and conditions of the License Agreement will be presented to you after selecting the contract language. You must accept the terms and conditions of the License Agreement before you can use the software products. If you do not agree to the terms and conditions of the License Agreement, do not copy, install, use, access or run the software products and instead, promptly submit your return in writing to your point of purchase. By exercising the rights granted in the License Agreement, you agree to be bound by its terms and conditions.

You can receive all your Microsoft software and future software updates through downloads from the VLSC. If you currently purchase software on discs we invite you to join "Digital by Choice" Microsoft's campaign to eliminate unnecessary shipments of software on physical media (CD/DVD discs). By choosing to download your software from VLSC you can get software updates faster than with kit shipments, save time and effort managing media, and reduce waste and support a more sustainable future. Learn more by visiting <http://www.digitalbychoice.com> OR click the link on the Software Downloads section of the Volume Licensing Service Center: <https://www.microsoft.com/licensing/servicecenter/>.

Volume License Product Key

To install certain licensed products you will need to use a specific Volume License Product Key (VLK). This VLK is issued to your company for your exclusive use for each specific license purchase. You agree to use your best efforts to keep a secure record of this product key including not disclosing this product key to any unauthorized third party. You may see VLKs for older product versions; this is to support downgrade rights under the license agreement where customers can acquire the latest version of a product and use an older version. For more information about Volume License Product Keys, including additional information on key types, best practices, and deployment options, go to the "Volume License Product Key" section of <http://www.microsoft.com/licensing>.

For MSDN Customers Only

MSDN Subscription purchased through Volume License provides access to MSDN Subscription Web Site <http://msdn.microsoft.com/subscriptions> as well as access to Product Keys. MSDN Customers can use Product Keys obtained from either VLSC or MSDN Subscription Web Site for development and test purpose. Please go to the "Subscription" section of VLSC at <https://www.microsoft.com/licensing/servicecenter/Subscriptions.aspx> to manage your MSDN Subscription.

Confidentiality Obligations for Partners

ALL CUSTOMER INFORMATION, INCLUDING THE ATTACHED OPEN LICENSE AUTHORIZATION NUMBER AND OPEN LICENSE AGREEMENT NUMBER, IS STRICTLY CONFIDENTIAL. PARTNERS MAY NOT TRANSFER ANY OF THIS INFORMATION TO ANY THIRD PARTY WITHOUT THE CUSTOMER'S PRIOR CONSENT. IN ADDITION, PARTNERS MAY NOT USE THE OPEN LICENSE AUTHORIZATION NUMBER AND OPEN LICENSE AGREEMENT NUMBER TO VIEW THE CUSTOMER'S CONFIDENTIAL OPEN LICENSE DETAILS ON THE VLSC WEBSITE WITHOUT THE CUSTOMER'S PRIOR WRITTEN CONSENT.

Dear Dr.Lakshmi M,

Acceptance of your Microsoft Open Value Subscription-Education Solutions Agreement V0895028
effective date 2018-12-15

Thank you for selecting the Microsoft Open Value Subscription-Education Solutions Agreement for your organization, hereinafter referred to the Open Value Subscription Agreement. This is the EES offering for small to medium academic customers. The purpose of this letter is to advise you that Microsoft has processed your Open Value Subscription Agreement. We hope that you will find it a cost-effective solution for managing your business's software needs going forward. Please review these sections in order to effectively manage your licensing relationship at Microsoft.

Microsoft Volume Licensing Service Center (VLSC)

The Microsoft Volume Licensing Service Center (VLSC) is an online tool that makes it easy for you to manage Microsoft Volume Licensing program agreements, download licensed products, and access volume license keys—all in one place. The VLSC offers key benefits for licensed software management including:

- **Reporting:** View current and historical reporting across programs and agreements that includes key dates, contact information, order confirmations, and your license summary.
- **Product Downloads:** Download software through a simple, secure user interface. VLSC makes it easy for you to find the right product, based on your licensing entitlements.
- **Volume License Product Keys (VLKs):** In order to ensure our customers are receiving the genuine, quality products that they expect, we have introduced Product Activation technology on certain Microsoft products. In order to install these products you will require Volume Licensing Product Keys (VLKs). These VLKs are issued to your organization for your exclusive use. Your VLKs are available to you when you log into the Microsoft Volume Licensing Service Center (VLSC) web site and click on the "Volume License Keys" link.

- **Software Assurance:** To review your organization's Software Assurance benefits, simply log on to VLSC where details of your benefits are displayed. Please be aware that to utilize your benefits, you will need to activate the individual Software Assurance entitlements online via VLSC.

You will be receiving your VLSC welcome letter within 1 to 2 business days. This welcome letter will also be sent to your Software Assurance Manager, Visual Studio and Online Services Manager (as applicable to your enrollment). You can access the VLSC homepage directly at: <https://www.microsoft.com/licensing/servicecenter/>.

Microsoft Imagine Subscription – With this Open Value Subscription Agreement, you are also entitled to a free online subscription of Microsoft Imagine that may be used for instructional use only across your organization. Microsoft Imagine enables you to outfit your labs or classrooms with the latest Microsoft developer, design, and server tools to support personal or in-class learning for your students and educators. Software acquired through the Microsoft Imagine subscription may be used for instructional purposes only and may not be used for commercial purposes or for institution's production use. To activate your free membership, please go to: <https://imagine.microsoft.com/institutions/Enroll> and enter the promotion code VLEES3 when asked for a promotion code. This promotion code entitles your institution to the Microsoft Imagine (Electronic Software Delivery) subscription level at no cost.

Qualifying higher education departments that have a core focus in Science, Technology, Engineering, or Math (STEM) may also qualify for Microsoft Imagine Premium, an online subscription that offers a more comprehensive list of developer tools for instructional use. If you are a qualifying STEM department in a higher education institution, you may activate your free membership by going to <https://imagine.microsoft.com/institutions/Enroll> and enter the promotion code VLPEES3. This promotion code entitles your STEM department to the Microsoft Imagine Premium (Electronic Software Delivery) subscription level at no cost.

Online Services - Online Services are a set of services that can help your organization take advantage of the benefits that in-the-cloud computing has to offer. As your IT strategy evolves, Microsoft can help you extend the capabilities and functionality of your existing technology investments. Online Services are delivered via subscription and over the web.

Office 365 for Education – Office 365 Education is available to your faculty, staff and students at no additional licensing cost. To subscribe to Office 365 Education, please go to www.office365.com. For additional online services, please contact your reseller.

How to activate your Online Services:

For all Online Services except Microsoft Azure, please use the Online Service Activation tab in VLSC [here](#).

For Microsoft Azure, please obtain your Online Service Activation Key from VLSC. The key can be found at either of the following locations from the VLSC Homepage:

- **Download & Keys** > find the Product/Service name > click **Key**
- **Licenses > Relationship Summary** > Click on the License Number > **Product Key**

Copy the Key and activate at the Azure Portal [here](#).

Student use benefit – When you license Office 365 ProPlus or Office Professional Plus, Windows 10, Microsoft Intune or EMS for all faculty/staff (FTE) employees organization-wide, you are eligible to license the corresponding offer for students within the same defined organization at no additional charge.

- Office 365 ProPlus or Office Professional Plus – students get Office 365 ProPlus
- Windows 10 Education – students get Windows 10 Education
- Microsoft Intune or Enterprise Mobility Suite (EMS) – students get Microsoft Intune
- Education Desktop – student get Office 365 ProPlus and Windows 10 Education

Electronic Software Download for Student Option and Work at Home Rights – In response to customer demand to reduce the cost of physical media distribution, we are making this Electronic Software Download (ESD) available for Student Option and Work at Home Rights for applicable products.

Licensing terms are not impacted by ESD. Additional distribution options are granted through the Electronic Software Download Grant Letter posted here: <http://www.microsoftvolumelicensing.com/userights/>

Yours sincerely,

Microsoft Corporation(India) Pvt. Ltd.

Membership

Institution Membership

Your Institutional membership is currently valid. It will expire on 4/4/2022.

When it is time to renew your membership, you will receive an email with instructions.

If you have any questions, please contact us.

Orders

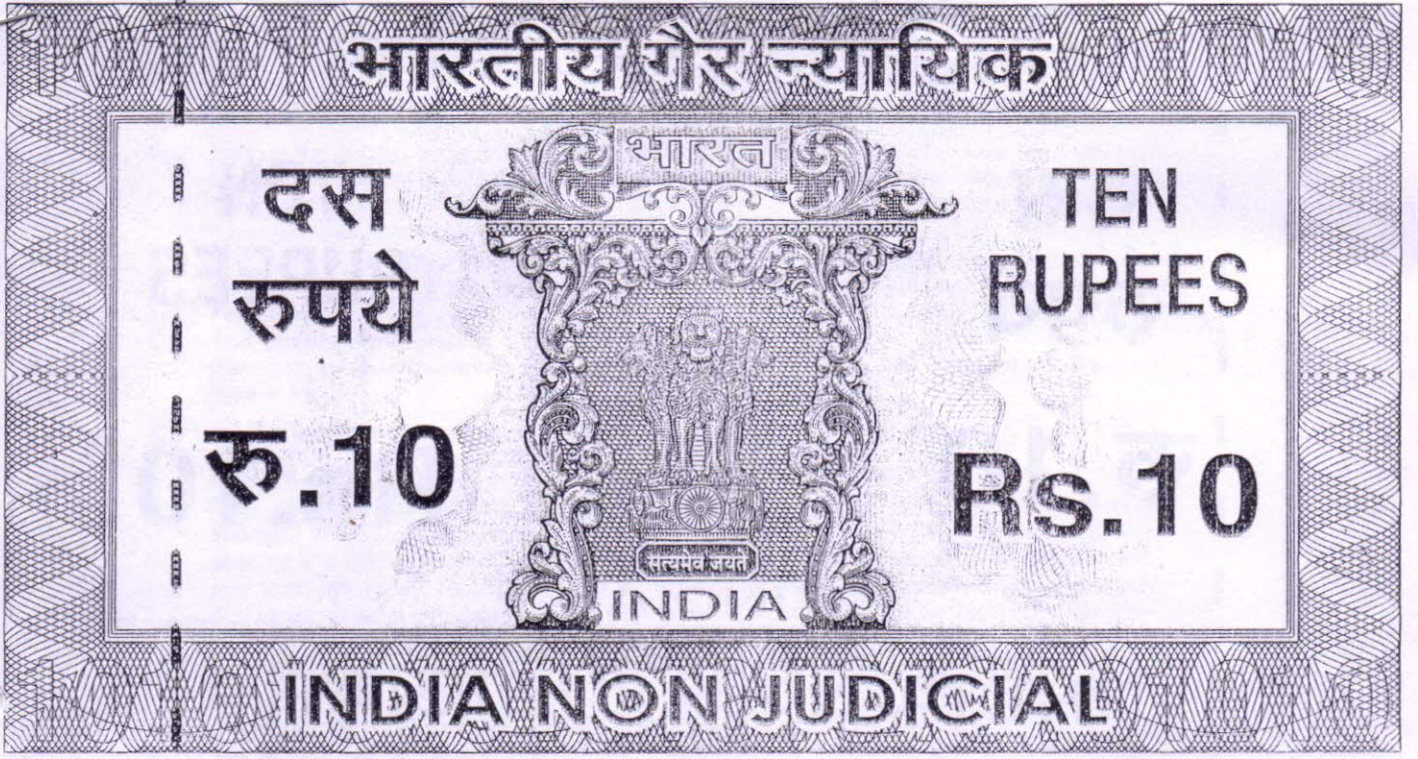

Your institution's Oracle Academy membership includes software license for Oracle technology programs and Oracle Premiere Support. If your institution has been approved for Applications software licenses, those are included as well. The order for software licenses and Premier Support was placed as part of your institution's Oracle Academy membership application.

If you were the person who completed the application on behalf of your institution for Oracle Academy Institutional membership, you received an email when the application was accepted by Oracle Academy with the details of the software and Premier Support order. You may check the status of your order information by completing the following steps:

1. Go to <https://shop.oracle.com>.
2. Sign into your Oracle account.
3. Click on the "Orders" link (top of the page).

If you have questions about the information in your order, please contact the Oracle Academy account administrator (generally the person who submitted the application for Institutional membership) at your institution. If you are not sure who to contact at your institution, please contact us.

Sri Krishna Institutions running their colleges under VLB Trust & Sri Krishna Trust having their registered office at SF No. 676, Kovaipudur, Coimbatore – 641 042 represented herein by its General Manager and duly authorized signatory S. Lakshmipathy, (hereinafter referred to as the "Second Party", which expression shall mean and include its successors in business, legal representatives, administrators and assigns) of the SECOND PART

For SRI KRISHNA INSTITUTIONS.

S. Lakshmipathy

General Manager.

WHEREAS

- A. RJIL is the holder of Unified License (All services except GMPS) for service areas *vide* License No. 20-401/2013 (AS-1) dated 21.10.2013 under Section 4(ii) of the Indian Telegraph Act, 1885 granted by the Government of India through the Department of Telecommunications (DoT)
- B. The Second Party has represented to RJIL that he/she/it is the lawful representative and is in possession of the premises, namely Sri Krishna Institutions (hereinafter "the Premises")
- C. The Second Party hereby permits RJIL to occupy and use the space provided in the Premises to provide various WiFi services as per the terms and conditions mentioned hereunder

NOW THIS AGREEMENT WITNESSETH AS UNDER

1. RIGHTS GRANTED

- 1.1. RJIL will have permissions by the Second Party to occupy and use the earmarked space(s) in the Premises, including any future additional locations, to install, commission, operate and maintain various WiFi equipment, as well as to use the common areas, ducts, roof tops, etc. to lay, repair and maintain various cables, and all activities related thereto, during the entire Term mentioned in Clause 2, in order to provide various WiFi services, as per the Unified License referred in Clause A, to RJIL Customers (hereinafter referred to as "Customers").

2. TERM

- 2.1. The term of this Agreement shall be for 3 years from the date of signing of this Agreement ("initial term"). The Agreement shall be renewable only after mutual consultation.
- 2.2. This agreement is only for the use of our above said group of institutions.

3. RIGHTS AND OBLIGATIONS OF RJIL

- 3.1. To install, commission, operate and maintain WiFi equipment at the locations in the Premises and at any additional locations as per feasibility and requirement of RJIL and the SECOND Party.
- 3.2. To restrict or suspend access to its WiFi services in order to carry out testing, technical repair, maintenance, upgrade, or for any other reason at RJIL's sole discretion
- 3.3. To determine Pricing and Tariff planning of WiFi services availed by Customers, and any change therein
- 3.4. To address the queries and concerns of the Customers about the WiFi services
- 3.5. To retain ownership and control of all Landing Page(s), Login Flow Page(s) and RJIL website(s), Customer Details and usage information
- 3.6. To be the service provider of its WiFi services through any WiFi equipment installed at the Premises and doesn't affect any installation made before and after this agreement.
- 3.7. To assign or transfer the rights and obligations under this Agreement in favour of any of its associate companies with a written intimation to the Second Party. Affiliates shall mean any person directly or indirectly controlling, controlled by or under direct or indirect common control with RJIL.

4. RIGHTS AND OBLIGATIONS OF SECOND PARTY

- 4.1. To provide RJIL with space at the Site Locations in the Premises and a conducive operating environment (secure, uninterrupted, ventilated and moisture free) for the WiFi equipment, and grant right of way in the Premises to exclusively install its WiFi equipment in all required areas.
- 4.2. To permit RJIL and its authorized personnel the right to use the common areas, stairways, ducts, passages and roof tops to carry out installation, testing, repair and maintenance activities
- 4.3. To ensure WiFi equipment and any other assets deployed by RJIL at the Site Locations are secured from any intentional damage or theft
- 4.4. To not claim any retention right, preferential claim or lien (or any other similar right), through itself or through any other person/entity acting under the Second Party, on the WiFi equipment (including but not limited to cables, ducts, switches, routers, poles) installed by RJIL within the Premises, and to not interrupt the space occupied by RJIL during the subsistence of this agreement

For SRI KRISHNA INSTITUTIONS,

General Manager.

- 4.5. To inform RJIL, at least 60 (Sixty) days in advance, of any decision by Second Party to dispose, assign or transfer its rights / interests in the Premises or part thereof to any person / party, during the subsistence of this Agreement or any extended period thereof, along with a confirmation in writing by the purchaser/transferee/assignee that the terms of this Agreement shall be binding upon such purchaser/transferee/assignee, and subsequently arranging for a novation agreement signed by the purchaser / transferee / assignee, if required by RJIL
- 4.6. To provide an alternate space(s), in case of alteration, structural changes or renovation of the Premises by the Second Party, with an advance notice of at least 30 (Thirty) days, to RJIL to re-install the WiFi equipment and other assets
- 4.7. To permit RJIL to list and promote the Premises as an available WiFi services location on RJIL's website or through any other means
- 4.8. To provide space to RJIL within the Premises for setting up their helpdesk for creating awareness about RJIL products and services and to allow RJIL and its authorized personnel also organizing demo camps or road shows, within the Premises, from time to time with prior intimation to the Second Party by RJIL
- 4.9. To not resell any of RJIL's telecommunication services or enable access to the said services to any third party apart from RJIL's Customers
- 4.10. That the Second Party being the authorized signatory on behalf of Governing body of the Second Party, to allow RJIL for installation of WiFi equipment and provisioning of WiFi Services of RJIL and hereby confirms that the authorized signatory who executes this Agreement has necessary powers and is duly authorized to sign such Agreements.

5. PERMISSION AND ACCESS

- 5.1. The Second Party shall provide access to the maintenance team, employees and any authorized representatives of RJIL, upon intimation to the representative of the Second Party, at any time on a 24 x 7 basis, 365 days a year, for the purpose of carrying out any installation, upgrade, repair and day to day maintenance of the WiFi equipment, as required

6. ELECTRICITY CHARGES

The Second Party shall provide uninterrupted power supply.

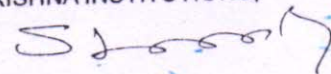

7. INDEMNIFICATION

- 7.1. RJIL shall indemnify and keep indemnified the Second Party against any actions, claims, proceedings, losses, which the Second Party may suffer due to any act or omission of RJIL in complying with rules and regulations of the Municipal/Local authorities in connection with the installation of its WiFi equipment in the Premises
- 7.2. The Second Party shall indemnify and keep indemnified RJIL against any actions, claims, proceedings, losses, which RJIL may suffer (i) due to any act or omission of the Second Party in complying with the rules and regulations of Municipal/Local authorities, non-payment of any taxes, levies, etc. with respect to the Premises (ii) on account of any defect in title of the Second Party with respect to the Premises (iii) any liability for any commitment made by the Second Party to a RJIL's Customer(s) (iv) any tax, interest, penalty claims, etc. due to non-deduction/short-deduction of tax at source by RJIL from an amount paid / credited to the Second Party, if any, under this Agreement

8. TERMINATION

- 8.1. RJIL shall have the right to terminate this Agreement by giving 60 (Sixty) days' notice in writing to the Second Party. Upon the expiry of the aforesaid 60 (Sixty) days from the date of notice, this Agreement shall stand terminated. The Second Party shall not have any right to terminate this Agreement during the entire Term mentioned in Clause 2. However if the commercial terms are not acceptable to the second party as when announced or modified the second party may have the right to terminate the agreement after giving 60 days notice.
- 8.2. In the event of termination, RJIL shall have all rights to dismantle, remove and take away all the installed WiFi equipment (including but not limited to cables, ducts, switches, routers, poles) installed by RJIL within the Premises during the tenure of this Agreement without any let, hindrance or objections, whatsoever from the Second Party. The Second Party shall not have any kind of lien or charge or encumbrance over the WiFi equipment and other assets installed by RJIL at the Premises

For SRI KRISHNA INSTITUTIONS,

General Manager.

9. **LIMITATION OF LIABILITY**

- 9.1. Neither Party shall be liable to the other for any indirect losses, punitive, special damages, consequential loss, damage, economic loss, be it in tort, contract or otherwise, including loss of profits even if the parties are advised of the possibility thereof

10. **GOVERNING LAW & JURISDICTION**

- 10.1. The provisions of this Agreement and the rights and obligations of the Parties under or arising out of this Agreement shall be governed by, construed and enforced in accordance with the laws of India and the Courts of Coimbatore shall have exclusive jurisdiction over the matters relating to or arising from this Agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the day, month and year mentioned herein first

Dear Sir,

We from reliance Jio have done network infrastructure in SCKT to enable the students and staffs to experience the high speed internet service with superior quality. Below are the details of our services extended to your campus.

1. Jionet Wi-Fi – Installed 81 Access points to cover various academic and Hostel blocks , Each AP's can able to serve up to 50 users and given bandwidth of 1 GB Backhaul.
2. Jio tower – Installed our newly designed coconut tree type tower to ensure the LTE 4G coverage to Jio users inside the campus. This site will handle aprox..2000 users and bandwidth of 1GB Backhaul.

MEMORANDUM OF UNDERSTANDING (MOU)
between

HERTZ TECK, COIMBATORE
and

**DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING, SRI
KRISHNA COLLEGE OF TECHNOLOGY, KOVAIPUDUR, COIMBATORE**

WHEREAS

- The HERTZ TECK, a renowned Software Development Company and Embedded Training Organization located in Coimbatore. The company specialized in R&D, Technological development, Electronics hardware and Software, represented by Mr.N.Ashraf, Software Developer.
- DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING, SRI KRISHNA COLLEGE OF TECHNOLOGY (hereinafter referred to as "SKCT"), an educational institution having its campus at Kovaipudur, Coimbatore - 641 042, Tamilnadu, India, represented by its Head of the Department, Electrical and Electronics Engineering, Dr.K.S.Chandragupta Mauryan, M.E., Ph.D.

Ashraf

[Signature]

I. PARTIES

- a. This document constitutes an agreement between the **Hertz Teck** and **SKCT, Coimbatore**.
- b. Contact email:
 - i. **Hertz Teck**: info@hertzteck.com, hertzteck@gmail.com
 - ii. **Sri Krishna College of Technology**: info@skct.edu.in

II. PURPOSE

- ❖ To bridge up the gap between the Industry and Institution.
- ❖ To improve the skill set of engineering students in Embedded Systems and IoT (Internet of Things).
- ❖ To provide opportunities for the Electrical and Electronics Engineering (EEE) students of the college to undergo industrial trainings through Value Added Courses, In Plant Training, Placement Assistance and to take up project.
- ❖ To organize the short term training programs which helps in improving the practical knowledge for the students.
- ❖ To undertake consultancy works.
- ❖ To conduct various knowledge sharing sessions for faculty members.

III. SCOPE AND RESPONSIBILITIES

i. Responsibilities of Hertz Teck

Hertz Teck will provide Technical assistance to the students.

- a) Value added trainings like Seminars, Guest lecture, Technical workshops, One Credit Courses in the field of Embedded.
- b) The students will get an opportunity to learn more about Embedded domain.
- c) The sessions will be "Interactive" and it will be learning with fun experience including hands on training.
- d) Industrial Exposure & Hardware Knowledge to all participants.
- e) Every module will be trained in placement point of view.
- f) This course starts with C Programming, Embedded Approach, Reading Datasheets, Introduction to Compilers and IDE, Controller Architecture, Understanding Peripherals and Protocols.
- g) It is a 100% Practical program which gives a good knowledge in Electronics, Basic Programming and how to work with the Microcontrollers from the Practical Approach.
- h) This program enriches the knowledge in practical field.
- i) Sample Projects Based on All Modules.
- j) Course Completion Certificate will be issued at the end of the training.
- k) Software will be provided for each student.

ii. Roles and Responsibilities of the college:

- a) SKCT will permit the Hertz Teck to utilize their library facilities.
- b) To create the awareness among the students about Embedded Systems and IoT.
- c) To undertake consultancy works.

- d) To provide class rooms /LCD Projectors and audio facilities and laboratory facilities as required for the training.
- e) SKCT further agrees to provide their students for market survey and feasibility study analysis work etc., to connect with the Industry in a mutually agreed time frame.

IV. INTELLECTUAL PROPERTY RIGHTS (IPR)

SKCT students / faculty shall maintain integrity of the technique technology of Hertz Teck products and process observed during their visit and consultancy work.

V. CONFIDENTIALITY

- a. In order to ensure the safety of clients, all parties to the Memorandum of Understanding agree to adhere to the confidentiality expectations as outlined in the Grant Agreement.
- b. The designated lead agency accepts full responsibility for the performance of the collaborative organizations/agencies.
- c. This Memorandum of Understanding is the complete agreement between Hertz Teck and SKCT and may be amended only by written agreement signed by each of the parties involved.

VI. TERMS OF AGREEMENT

This agreement shall be initially valid for 2 years from the date of signing the agreement and to be renewed subsequently by mutual consent of both the parties.

RTZ TECK

Hertz Teck Software Solutions is a renowned Indian Company which is located in Coimbatore, Tamil Nadu. Our company is one of the leading providers of end to end IT Solutions and Embedded Development. We are professionally recognized Software Development Company having huge and wide experience in developing customized applications and industrial products. Our successful assignments with client companies have established our reputation as superior providers of IT solutions. We are a group of marketing professionals providing quality services to your businesses to rapidly increase brand among target audience. We provide custom made software's, marketing strategies and services for your brand, in accordance with the vision of your company and its goals.

Considering the vast scope of this field, ranging from the automobile to consumer electronics and aerospace, the demand for this technology for product development and applications will also continue to grow over time. The digital revolution now has reached to a stage where we cannot conduct our normal modern day lives without technology. Indeed, it is reasonable to say that everyone already owns at least one equipment which contains a processor, whether it is a phone, a television, an automatic washing machine, an MP3 player, microwave oven or anything such. So this embedded field provides a chance for you to make a successful career. Several fast-developing sectors like automobile, communication, medicine, industrial, military, etc. have witnessed increased use of embedded technologies.

AGREEMENT

This agreement made on 15th February 2016 between M/s. IPCS Automation, hereinafter called the party of the first part represented by its Manager/ Director, Mr. Ajith Surendran, D5 Complex, Nehru Street, Ram Nagar, Gandhipuram, Coimbatore - 641006, Tamilnadu and

Sri Krishna College of Technology, Kovaipudur, Coimbatore - 641042, Tamilnadu, hereinafter called the party of the second part represented by the Dr.K.S.Chandragupta Mauryan, Head of the Department, Electrical and Electronics Engineering, Sri Krishna College of Technology.

(Signature)

(Signature)

AND whereas the party of the first part is engaged in to the business of **Automation and Control/Embedded Solutions** WHEREAS the party of the second part is running an Engineering College offering various UG and PG degree courses to the student community

OBJECTIVES/PURPOSE OF THIS MOU:

- (i) To improve the skill set of engineering students in Automation and Control/Embedded Solutions.
- (ii) To bridge the gap between college education and industrial requirement.
- (iii) To provide opportunities for the Electrical and Electronics Engineering (EEE) students of the college to undergo industrial trainings through Value Added Courses, In Plant Training and to take up projects.
- (iv) To organize short term training programs on PLC, SCADA and Raspberry-Pi.

ROLES AND RESPONSIBILITIES OF THE MOU SIGNING COMPANY:

- (i) To supply tools/techniques to the college
- (ii) To organize Value Added Courses/Workshops/Seminars once in six months to Electrical and Electronics Engineering (EEE) students of the college to enlighten them on the Embedded and complex software projects development.
- (iii) To organize short term training programs on PLC, SCADA and Raspberry-Pi.
- (iv) To provide opportunities for the Electrical and Electronics Engineering (EEE) students of the college to undergo industrial trainings, implant visits and to take up project works.
- (v) To provide Internship for best performing students.
- (vi) To identify and help the college in the area of taking up R & D projects.

ROLES AND RESPONSIBILITIES OF THE COLLEGE:

- (i) To create an awareness among the students about the Topic on **Automation and Control/Embedded Solution** conducted by the first part.
- (ii) To undertake consultancy works from the first part.
- (iii) To provide class rooms / LCD and audio facilities and laboratory facilities as required for the training by the first part.
- (iv) To train the employees of the first part on latest technologies and techniques.
- (v) To impart theoretical exposure on software's to the employees of the first part.

TIME FRAME:

This MoU is valid for 2 years from the date of signing and will be renewed for a further period on mutually agreed terms and conditions.

GENERAL:

In event of any issue to be resolved which is beyond the control of the nominated persons of both parties, the Director and Principal who are signatories to this MoU can discuss directly and resolve them.

In witness whereof the parties hereto have affixed their signatures to this agreement on this day.

[L. PRENCE ANAND],

Head - Training & Research,

MAS Solar Systems Pvt. Ltd.

IAS SOLAR

The MAS SOLAR SYSTEMS PRIVATE LIMITED started to focus completely on solar and its applications. And within a short span MAS has gained a well revered name in the domain of solar equipments. We are one of the leading manufacturers, suppliers of hi-tech solar products in the market. with the strong Research & Development team. The company has planned to introduce various solar products to the nation in **"motto to support use of solar energy"** by giving the quality solar products.

As the worldwide demand for electricity increases and the historical reliance on fossil fuels is being challenged by increasing environmental awareness, the focus has turned to renewable energy sources. As a reliable and versatile form of renewable energy, solar PV systems are expected to become a dominant energy source. According to market research, PV is expected to account for over 50% of the world's total electricity generated by renewable energy sources by 2070. Solar is a promising source of future energy supplies because not only is it clean, it's remarkably abundant.

Solar products are gaining popularity with the increasing awareness about the dangers of conventional technology to the world climate. People have begun switching over to these comparatively cheaper products, which contribute to environmental preservation. Sunlight is one form of available energy which is found everywhere and can be easily harnessed for energy purposes with zero negative effect on the environment.

Being a true citizen of our country, we insistently believe in fulfilling our social responsibilities. Hence, we the MAS Solar Systems Private Limited started to focus completely on Solar and its applications. And within a short span MAS has gained a well revered name in the domain of solar equipments. We are one of the leading manufacturers, suppliers of hi-tech solar products in the market.

The company MAS was incorporated in the year 2010 at Coimbatore with the collective efforts of dedicated & talented technocrats by which the company has scale new heights in its business endeavor.

MEMORANDUM OF UNDERSTANDING (MoU)

This Memorandum of understanding (MOU) dated 02/08/2017 is among the "SS TECHNOVATION" & "DEPARTMENT OF E.E.E., SRI KRISHNA COLLEGE OF TECHNOLOGY" (an AICTE New Delhi approved institution & affiliated to Anna University)

With the goal of developing students on various curriculums & with a mutual partnership in the areas of Basics Electronics, PCB Designing, Embedded System, PLC, SCADA, HMI, Fanuc Robotics Trainings related to industrial requirements & necessary certifications for applicable training programs for the benefits of the students.

OBJECTIVES/PURPOSE OF THIS MOU:

To Create a sustainable partnership between "SS TECHNOVATION" and "DEPARTMENT OF E.E.E., SRI KRISHNA COLLEGE OF TECHNOLOGY" to improve technical education with Electrical Oriented Industry and training programs there by empowering students of SRI KRISHNA COLLEGE OF TECHNOLOGY for a bright future.

- (i) To improve the skill set of engineering students in usage of new technology and trends in core industries.
- (ii) To bridge the gap between college education and industrial requirement.
- (iii) To facilitate knowledge transfer for students and staffs.
- (iv) To assist the college in placement activities in the sense of introducing and developing contacts and relationship with industries.
- (v) To make the students more employable.

TERMS & CONDITIONS

1. SS TECHNOVATION will assure in placing the students across industries but placement depends upon the student's capability & performance in the interview panel only. However Number of students placed depends upon the requirement of industries.
2. Both the Parties should protect any information that is identified as confidential & such confidential information should be used for the sole purpose of fulfilling these obligations under this MOU & return all the confidential information's to the disclosing party prompt upon the expiration or termination of MOU.
3. 10% of students will be placed per batch. Minimum batch strength should be 50.

This MoU takes effect from **02/08/2017** and is valid for a period of 3 years from the date of signing with option for automatic renewal. Thereafter either party may terminate the MoU by giving to the other party 90 days' notice in writing.

This joint arrangement is aimed at providing facilities and service on mutually beneficial basis, focused towards increasing the employability of the students and makes them suitable to serve Micro Small and Medium Enterprise (MSMEs) of this region. While these common facilities of SS TECHNOVATION is intended for Common use of Members and others, wherever applicable, any cost will have to be borne by the benefiting students or others. The said cost in the form of fees etc. will be finalized by SSTECHNOVATION upon mutual consent.

"DEPARTMENT OF E.E.E., SRI KRISHNA COLLEGE OF TECHNOLOGY" to ensure that the students get benefited with their learning. Finally SS TECHNOVATION will provide (10%) students (Placement assurance) from the strength of whole volume as we discussed.

SS TECHNOVATION will provide training for 2nd year, 3rd Year and Final year students based on training or Industrial Training Program as per the Company Job Description.

MEMORANDUM OF UNDERSTANDING
BETWEEN
DELVING RESEARCH AND DEVELOPMENT - COIMBATORE
AND
DEPARTMENT OF INFORMATION TECHNOLOGY,
SRI KRISHNA COLLEGE OF TECHNOLOGY
FOR
COORDINATION AND COOPERATION IN STUDENT EDUCATION
ENHANCEMENT

The Delving Research and Development – Coimbatore and the Department of Information Technology of Sri Krishna College of Technology, herein after referred as parties, found it mutually beneficial to have a formal understanding between them.

Dr. A. RAMESH M.E., Ph.D.
Principal
Sri Krishna College of Technology
Kovaipudur, Coimbatore - 641 042

R. Chinn

DELIVING Research & Development Pvt. Ltd (hereinafter referred to as "DELIVING R&D"). Building Software packages for providing analytical solutions in any domain, R&D solutions in Industrial Automation, Energy Conservation and smart metering having its registered office located at 53-2,3rd Cross, M.K.P. Colony, Ganapathy (P.O) Coimbatore-641006, Tamilnadu, India represented by its Chief Executive officer, Dr. R. Chitra.

DELIVING is to help business owners develop a solid foundation and business strategy to be successful. To improve sales & productivity and to sustain effective deployment of inventory, process optimization and profitability in all domains. Developing Software packages for providing analytical solutions in any domain like educational, trade, engineering, Medical and service domains.

SRI KRISHNA COLLEGE OF TECHNOLOGY is accredited with "A" Grade by National Assessment and Accreditation Council, Bangalore. The college has been granted autonomous status by UGC during 2011 and approved by AICTE, New Delhi and has a permanent affiliation to Anna University, Chennai. The institution having its campus at Kovaipudur, Coimbatore, Tamilnadu, India represented by its Principal, Dr. A. Ramesh.

SRI KRISHNA COLLEGE OF TECHNOLOGY has an Industry interaction with their experts having technical expertise/core competence from different technical fields in the respective disciplines. It has a version to bridge the Industry-Institute gap, to increase the employability of the students, to make them meet expectations of the industry, to get their jobs and prepare them for a successful career by providing its faculty and infrastructure belongs to Department of Information Technology for doing the Research and Development activities.

The parties herein now intend to enter into this MoU to facilitate the below objectives through orientation and development for their mutual benefit.

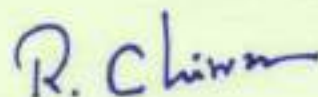

I. PURPOSE

1. This MoU establishes the goals and responsibilities of each parties to design, develop & deliver cost effective, timely training programs to students, staff of both parties and skilled workers enabling them to make better use of resources with available technology.
2. This MoU shall address the talent gap prevailing in the IOT field through industry-academic partnership, shall establish opportunities for students to get trained for the real field and hereby bridge the gap between academic output and Industry expectations.

Dr. A. RAMESH M.E., Ph.D.
Principal

Sri Krishna College of Technology
Kovaipudur, Coimbatore - 641 042

II. GOALS

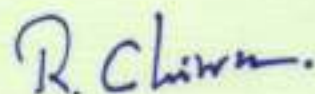

1. To promote coordination and cooperation between the parties for training programs.
2. To provide training to undergraduate students in the field of research and development.
3. To provide guidance to students to execute a real time projects based on IOT.
4. To improve the use of latest technology in design and development of new concepts and techniques in software.
5. To provide economical benefits to both the parties.
6. To exchange ideas on latest and trending techniques through guest lectures, training programmes, workshops and seminars for DELVING R&D members, students, staffs and members of faculty.
7. To take steps towards creating a truly employable work force.
8. To reduce the gap between Industry and Institute, by providing Training, Solution and Projects.
9. To provide exposure to the students about the industry environment and process carried out.

III. JOINT RESPONSIBILITIES

1. Mutually bear any actual/indirect costs incurred for programs under this MoU.
2. Develop detailed procedures for implementation of this MoU jointly signed by both parties.
3. Achieve joint course curriculum design, workers training study materials jointly by both the parties.
4. Jointly organize workshops, seminars, conferences and training programs, guest lecture for students, staff, faculty and Delving R&D members on topics of mutual interest.
5. Organize frequent industry-academic personnel exchanges.

Dr. A. RAMESH M.E., Ph.D.
Principal
Sri Krishna College of Technology
Kovaipudur, Coimbatore - 641 042

IV. ASSOCIATION

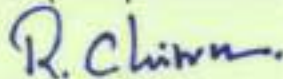

1. The outcome of the internship projects in terms of Hardware and software resources shall be mutually shared between two parties.
2. Undertake to provide certificates to students for successfully completing the training programs in DELVING R&D member companies.
3. Impart in-plant training to the students.
4. Involve students and staff members of the college in the seminar and conferences of technical importance.
5. Support the events organized by other parties.

V. INSTITUTION

1. Assign talented faculty, Delving R&D members to spend once a week in member companies involve in both technical and non technical aspects and in turn train the students and workers.
2. Aid students in the familiarization of existing work challenges.
3. Groom technical talent at work places.
4. Support the events of the other parties.

VI. PRINCIPAL CONTACTS

The principal contacts for the instrument are

Dr. R. CHITRA
CEO & DIRECTOR,
Delving Research and Development,
M.K.P. Colony, Ganapathy (P.O.),
Coimbatore-641006

Dr. A. RAMESH,
Principal,
Sri Krishna College of Technology,
Kovaipudur,
Coimbatore- 641042

VII. ANNEXURES, AMENDMENTS & REVIEWS

1. Any specifics to operate under this MoU shall be cited in any supplements to this agreement and shall reflect the activity to be carried out by each party shall identify new areas of cooperation as may be of interest and agreed to both the parties.
2. Annually, the authorized person or the joint working as formed under this MoU shall review this agreement for purpose of determining if amendments are needed as may be decided mutually between the parties.
3. This MoU can also be amended by mutual consent through an exchange of correspondence between the two parties.

SIGNED IN DUPLICATE

BY SIGNING BELOW, the parties, acting by their duly authorized officers, have caused this Memorandum of Understanding to be executed, effective as of the day and year first above written

MEMORANDUM OF UNDERSTANDING

1. This memorandum of understanding made and signed at VLB Janakiammal College of Engineering and Technology, Coimbatore on this 11th March 2009 between Small Industries' Testing and Research Centre, herein after referred to as Si'Tarc, a registered society formed by Coimbatore District Small Industries Association (CODISSIA) and Southern India Engineering Manufacturers' Association (SIEMA). Si'Tarc is a not-for-profit organisation providing service to industries in testing, calibration, research and prototype development. Si'Tarc is represented by its President.

And

2. VLB Janakiammal College of Engineering and Technology (herein called Institution) a highly reputed technical Institution having the vision of

...2

becoming a centre of excellence, which has learned faculty, high quality laboratories and facilities and large student community, who can complement the efforts of industries. VLBJCET is represented by its Advisor.

Si'Tarc and VLBJCET have entered in to this MoU with their mutual intentions to jointly work on projects required for industries and research work.

3. OBJECTIVE AND SCOPE OF WORK :

Both the parties believe that close co-operation would be of major benefit mutually to Si'Tarc and Institution. Accordingly, the following objectives are identified.

- * Regular exchange of resource and knowledge.
- * Tapping of potentials for mutual benefits.
- * To design and develop new products and technology
- * To study and evaluate performance of a product for its endurance, life cycle evaluation.

To organise training programmes for the benefit of industries in

- * Metrology & Instrumentation.
- * Quality control system, HR and personality development programmes.
- * Re-engineering, Value engineering to improve product performance and reduce cost.

4. RESPONSIBILITIES OF SI'TARC & VLBJCET

- * Si'Tarc in consultation with Industries & VLBJCET should select the projects and define its scope.
- * Normal time duration for a project is 6 to 12 months (max. one year).
- * Si'Tarc & VLBJCET shall identify their faculty members to carry out the project work.
- * Necessary materials, equipment can be sourced either from sponsor, Si'Tarc or VLBJCET
- * Progress reports of the project must be submitted to a Research Committee of Si'Tarc at periodic intervals for their review.
Minimum two projects in Mechanical/Electrical/Electrical and Electronics field should be planned in a year.
- * Si'Tarc RESEARCH ADVISORY COMMITTEE will issue Certificates to personnel involved in the project on successful completion.

5. FINANCIAL COMMITMENT

For each project the finance requirement will be discussed between Industry, Si'Tarc & VLBJCET and a sponsor may be identified by VLBJCET & Si'Tarc. Further, the revenue generated out of the R&D and Consultancy projects will be passed on to Si'Tarc R&D accounts to strengthen future activities.

6. CONFIDENTIALITY :

- * If the sponsoring industry wants confidentiality is to be maintained.
- * A non-disclosure IPR understanding would be laid between the partners and the members of the project team to mutually benefit the partners in relation to the specific technical and research findings.
- * No party, without the prior written consent of the other, may assign the benefit or the burden of this MoU.

7. NOTICE

Notice would be deemed to have been given by either party provided the same is sent in writing by registered mail and copy of the same is faxed to the other party to the specified addresses and fax numbers given below.

VLBJCET	The Advisor VLB Janakiammal College of Engineering and Technology Kovaipudur Coimbatore – 641 042 India Fax:+91 422 2607152
SI Tarc	The President Small Industries' Testing and Research Centre 83 & 84 Avarampalayam Road K.R.Puram Post, Coimbatore – 641 006. India. Fax : +91 422-2562612 / 2560473

8. VALIDITY & TERIMINATION :

This MoU takes effect from 11 March 2009 and valid for a period of three years from the date of signing. Thereafter, it may be renewed depending on mutual consent of both parties. Either party may terminate the MoU by giving to the other party 90 days notice in writing. In addition, either party may terminate this Agreement forthwith if the other party has committed a material breach and failed to remedy the same despite 14 days written notice, but without prejudice to antecedent breaches.

9. ENTIRE AGREEMENT

This document represents the entire agreement between the parties regarding the subject matter of this Agreement and can only be amended or modified by an agreement in writing signed by duly authorized representatives of the parties hereto.

10. PUBLICITY

Any press release or related publicity or publication of findings connected with this MoU shall be managed and co-ordinated between the parties, including the text of any press statements, to be agreed beforehand in writing by the parties.

11. JURISDICTION

The laws of Republic of India would govern this Agreement.

IN WITNESS WHEREOF the parties have signed this MOU at Coimbatore on the day, month and year first above written.

COINDIA Meeting With the Institutions Having MoUs

Date: 21/02/2014

Time: 10.00am – 12.30pm

Chairperson

Mr. Viswanathan, President (Amaroon foundries).

Points Discussed

- 1) Mr. Viswanathan, president, COINDIA, Welcomed the participants and told about the facilities available with COINDIA and the support given for the MoU signed institution for the following activities:
 - i) Industrial visit
 - ii) In-plant training
 - iii) Projects
 - iv) Faculty development programmes
 - v) Resource persons from industries for the guest lectures
- 2) List of member industries with necessary details will be given to the institution so that the institutions can contact them directly for any support.
- 3) COINDIA is planned to conduct a Entrepreneurship Fair in order to create awareness among the students.
- 4) Job fair will be conducted for the students of Arts & Engg Colleges in the month of April 14 and institutions are invited to send their final year students.
- 5) COINDIA Executives suggested to motivate the student towards core industries for placement particularly Foundry industries. It was told that there are vacancies in foundry industries and only few engg. graduates approaching them for placement.
- 6) Industrial visit and in-plant training could be arranged to foundry industries in Coimbatore. Around 150 foundry units are available in Coimbatore.
- 7) It was suggested to provide 1 month on-duty to the students during VIII SEM, so that they can take up good project work with industries.
- 8) It was suggested to produce some industrial components for industries using the facilities available with institutions. Students can be utilized for manufacturing components and the labour cost could be given to them. Students are exposed to real time production activities.
- 9) TIFAC – CORE PSG Tech & COINDIA will be organizing project design contest for the student which is sponsored by MSMEs. Invitations will be sent during 1st week of March 2014.

Submitted to the Principal

R. Suresh Kumar

HOD / Mechanical Engg.

4th Oct. 2013

To

The Principal
SRI KRISHNA COLLEGE OF TECHNOLOGY
Coimbatore

Dear Sir /Madam,

**Sub: Invitation for First Steering Committee Meeting of the
Academic year 2013-2014 - Reg.**

COINDIA would like to thank you for your active participation and valuable inputs in the Steering Committee meeting held on February 2013 for Industry Institution Interaction and knowledge sharing towards improvement and benefit of each other.

COINDIA invites you to participate in the First Meeting of the Steering Committee (2013-14) between MoU signed Institutions and to streamline the activities.

From this year onwards, **COINDIA** has planned to organize two steering committee meetings per year. The purpose of the same is to discuss and take actions for the benefits of students.

The tentative Agenda of the Meeting is given below:

1. Welcome address by The President -COINDIA
2. Actions taken on the discussions made in the previous steering committee meeting by Head T&D-COINDIA
3. Expectations of industries from educational institutions -by Top Executives from Industries
4. Expectations of Educational Institutions from Industries -by All MoU signed Educational Institutions.

5. General discussions
6. Date of next committee meeting
7. Vote of thanks
8. Lunch.

The meeting is planned like PANEL discussions and the estimated number of participants is around 30 (Minimum two Representatives per Institute). The participants shall be the Chairman, Secretary, Director, Principal, HOD, Placement and Training Managers of the Institutions who have signed MoU with COINDIA. The President of COINDIA will chair the meeting and some industrialists are being invited to participate in the meeting to explore the requirements and expectations of the industries too.

Date of the Meeting: **25th October 2013 (Friday)**

Time : **10.00am to 12.30pm**

Venue : **Board Room-COINDIA, 8/4 Race course Road, Coimbatore-18**

- BIS Certificate, will conduct all the five ASNT certification courses (UT, MT, PT, RT) consecutively without break for the convenience of the participants
- Provide internationally recognized certification.
- Distribute excellent study resource materials prepared by experienced ASNT experts and much useful for practicing engineers/Students.
- Practical sessions on latest state of art equipments with eminent trainers having more than two decades of experience in ASNT, Metallurgy and welding technologies

Time & Fee Structure for the Training:

- This program consists of 12 days involving ASNT LII Theory and practical classes.
- We will provide necessary materials, web reference, hand outs, towards the program, copies of these materials will be provided as reference towards the learning of concept.
- For us to confirm the program we need 30 days notice to conduct onsite program and to prepare handout for the program. PO stating the above to be issued to BIS Certificate 30days before the program.
- Training Duration between 09:15 AM to 04:15 PM and labs mostly will be in between the each day program.
 - ⇒ If classes held on Saturdays, trainers will be available between (09:30 AM – 06:00 PM)
- On official completion certificates will be issued from BIS Certificate towards this program.

Below Quoted Fee includes necessary materials, web reference, hand outs

Course	Min No of Students	Cost per Candidate	No of Days
ASNT - ASNT L II	100	7500 INR	12

- ⇒ If paid by cheque service tax (subjected to government norms) will be added to the above quoted fee.
- ⇒ Fees will be collected by Department of Mechanical Engineering, **Sri Krishna College of Technology (SKCT)**. The fees collected should be paid to BIS Certificate, Coimbatore in the following manner

Payment has to be done in the following fashion towards enabling us to conduct the training program.

- Payment of 50% paid to us in advance 5 days before the program 25% a day before the ASNT examination and remaining payment a day before/on the day when we issue the certificates. The payment to be made in the name of **"Bright Inspection Services" payable at Coimbatore.**

N. Waterger

As per this agreement, the cost of the course will be raised calculating for 100 attendees (100 x 7500 INR) and on acceptance of this quote, on the day one if there are drop outs the NETT payable will remain same (100 x 7500 INR). However if the number of attendees increase the cost per attendee as mentioned above will be added to each respectively.

⇒ Candidate appearing for re-examination (Absent/Fail) will have to pay 450 INR for the first paper and 250 INR for every paper she/he fails.

• Rates quoted for training between 09:15 PM to 04:15 PM only.

⇒ BIS Certificate will provide a one UT machine, Magnetic yoke, LPT / DPT standard consumables, a RTFI Machine to the department if the number of attendees' is 100 or above.

⇒ All machines provided as above mentioned are the calibrated industry second used machines to help students have hands on experience even after the course is completed.

Course Timetable:

Course / Programme	Level	Days	Hours/Day	Course Hours (56)
Radiographic Testing-RT	II	4	4 hours	16
Ultrasonic Testing-UT	II	4		16
Magnetic particle Testing	II	2		8
Penetrant Testing-PT	II	2		8
RT Industrial visit		1		4
ASNT LII Examination		1	4 Hours	4
Total	12 + 2 Days			56 Hours

Equipment used while training Details:

Ultrasonic Testing

UT machine - Modsonic Einsten TFT 2.

Probes (Modsonic)

Normal probe, (single crystal) 25mm dia, 2MHz,

20mm dia, 2MHz,

10 mm dia, 4MHz.

Twin crystal, 10mm dia, 4MHz,

25mm dia, 4MHz.

Pipes

3" dia, 10mm thickness, 300mm length, welded at the center.

6" dia, 10 mm thickness, 300mm length, welded at the center.

Plates

16mm thick plate, 'V' butt joined.

TKY joined plates (thickness 16mm)

14mm plate with side drills at t/4 distance, 250mm X 100mm.

14mm plate with V notch cutting (250 mm X 250mm)

Cancellation or Reschedule:

Neither BIS Certificate nor the trainer will be responsible for any cancellation of the training or Change of the Venue due to any unforeseen reasons. Worst case any advance paid will be refunded fully to the customer towards the cancellation. Upon confirmation paying advance, the program cannot be cancelled and only can be postponed.

Department of Mechanical Engineering , Sri Krishna College of Technology (SKCT) SHALL PROVIDE

1. Lecture Room equipped with LCD projector
2. Audio for playing VCD
3. Large white board with markers
4. Separate room for Equipments
5. Accommodations for Faculty members.

LINK OFFICER

The Principal shall appoint **Mr.R.SRINIVASAN, ASSOCIATE PROFESSOR - Department of Mechanical Engineering** as a Link Officer for the duration of the programme, who shall liaise with BIS Certificate. and speak for the participants to make the training process learner-friendly and effective. BIS Certificate shall work in close relationship with the Link Officer, who in-turn shall keep a close touch with the students.

JURISDICTION

All matters, queries, disputes or differences, whatsoever, arising between the parties touching the construction, meaning, operation or effect of this Memorandum of Understanding or out of or relating to this Memorandum of Understanding or breach thereof shall be settled through arbitration in accordance with the relevant Arbitration Act

N. Natarajan

in force at such time. The Arbitration award shall be binding on both parties. Place of arbitration would be in Coimbatore.

The above terms detailed in this Memorandum of Understanding alone shall govern the participation agreed to between *Department of Mechanical Engineering, Sri Krishna College of Technology (SKCT) and BIS Certificate, Coimbatore.*

This Memorandum of Understanding shall come into effect from 05/08/2015 and is valid till 05/08/2016.

MEMORANDUM OF UNDERSTANDING

between

Sri Krishna College of Technology, Coimbatore
and

F-Maxx Systems India Pvt. Ltd., Coimbatore

August 18, 2017

Preamble:

Sri Krishna College of Technology, accredited with "A" Grade by National Assessment and Accreditation Council (NAAC), Bangalore, has been granted autonomous status by UGC in the year 2011. The college was approved by All India Council for Technical Education (AICTE), New Delhi and has permanent affiliation to Anna University, Chennai.

The purpose of Memorandum of Understanding (MoU) with M/s. F-Maxx Pvt. Ltd., Coimbatore, is to establish meaningful collaboration between academia and industry for addressing the global challenges and finding possible solutions by engaging experts from both the sides.

Through this MoU, both industry and academia will jointly focus on sharing latest innovations in technological world and knowing the application-oriented knowledge in specific domains.

④

The industry can actively participate and utilize the intellectual capabilities of the faculty of institution for fulfilling shared responsibilities and mutual growth for the larger benefit of the human society.

The technocrats from industry can offer stimulating inputs to the institution in designing need-based educational contents for efficacious teaching/training and in developing industry-ready curriculum.

Also, the institution intends to bridge the prevailing skill gap between academic output and industry expectations as well as to increase the employability skills of the students; and also to provide adequate inputs for inter-disciplinary research and development activities.

Scope of Co-operation:

- Both the institution and industry believe that this MoU between the two would be of major benefit to the student community to enhance their skills and knowledge
- The regular interaction between the industry and institution will give an insight into the recent developments/requirements of the industries. So that, students can be shaped to meet the future challenges
- The institution will periodically review the progress and make required suggestions to the top management of the industry
- Joint seminars/workshops could be arranged wherein experts can share their knowledge with the students

The Memorandum:

Accepting this premise and in recognition of the common desire for strengthening mutually beneficial co-operation, the institution and the industry do hereby agree:

- To enhance the employability skills and accumulation of domain-specific knowledge
- To facilitate students in internships and in-plant training programmes
- To engage in intellectual dialogues to know the recent technological advancements in the academics and expectations of the industry
- To study the growing demands of the industry and advise the board of studies in imparting holistic education
- To organize webinars, seminars and workshops regularly to update the advanced technologies and best practices in the industries
- To groom the students for getting placed

MoU:

Both the institution and industry value the spirit of this MoU and would strive continuously to develop its various features.

Signed in Duplicate

By signing below, both the institution and industry, acting by their duly authorized officers, have caused this Memorandum of Understanding to be executed effectively from 18/08/2017.

Signed on behalf of
Sri Krishna College of Technology
Coimbatore

Dr. A. Ramesh,

The expression "Second party" or "VLAND's BEST Hub PVT LTD" wherever appears would mean and include their Directors, Officials, Representatives and any person authorized by VLAND's BEST Hub PVT LTD

The Second party is having a principal place of office as **VLAND's BEST Hub PVT LTD, NO: 105, 3rd FLOOR, SRI VEL TOWERS, 11th STREET, TATABAD, COIMBATORE-641 012, TAMILNADU, INDIA.** The First Party should make all correspondences and communications to the above address or to admin@vlandsbesthub.com, vp@vland.co

Whereas as part of the expansion of the development activities, the both parties has decided to establish a center and start a value added courses for students, in focus SRI KRISHNA COLLEGE OF TECHNOLOGY

TERMS AND CONDITIONS

1. Both parties has to maintain the highest possible standards and professionalism in marketing & administration of the courses and the usage of the resources, infrastructure
2. Both parties authorize each other to use the name and logo of VLAND's BEST Hub PVT LTD & SRI KRISHNA COLLEGE OF TECHNOLOGY, not adding or omitting any words, to the extent authorized by both parties for the specified courses
3. Both parties shall discuss and review monthly project report, giving the details of students enrolled, topics covered, students attendance, faculty as well as action plan for future
4. All the students must attend the training program throughout session with dedication and discipline

5. ROLES & RESPONSIBILITIES OF SRI KRISHNA COLLEGE OF TECHNOLOGY

- The College shall provide all facilities like hall, computers, projectors, training aids for assignment execution (Up keeping the facility as needed for training requirements)
- Allocate students & schedule a batch for the training
- The College shall provide food for the trainer during training program
- Assure number of students given in Clause 12
- Training duration and semester schedule as mentioned in ANNEXURE 1
- Payment as mentioned in Clause 12
- Give all necessary guidance for successful certification/ enhancing student knowledge
- **Minimum of 50 students** should attend the onsite technical training program per batch/ Department

First Party

Second Party

6. ROLES & RESPONSIBILITIES OF VLAND's BEST Hub PVT LTD

- The course and the content delivered is in tandem with industrial concepts
- Complete administration of the course including registration, feedback of trainers in prescribed format, managing the training venue & necessary support as required for the trainer
- Staff selection, coordination, management and performance review & correction
- Maintaining professional standards in course content, delivering and certification
- Deputing qualified and experienced trainers
- **VLAND's BEST Hub PVT LTD** will provide **Industrial Concepts** to students by **IIT'ian and Industrialist** during the technical training program

7. GENERAL OBLIGATIONS

- Both parties will have every right to accept or reject the students' registrations, if no documents or fee is paid in time or delay in admission registration or exam registration or any other reason mutually agreed.
- Any statutory fees/ taxes such as GST relating to the business or operations are to be monitored, collected from trainees along with the fees.
- Payment to VLAND's BEST Hub PVT LTD is completely based on the dedicated engagement as committed.

8. QUALITY OF TRAINING

- Excellent quality is the most important factor in the success of the program. Both parties should follow continuous quality improvement norms
- Both parties shall review the trainers and trainees performance and make suggestions to improve

9. VALIDITY OF MoU

- This MoU shall remain valid for a period of four years from the date of its execution, further which can be extended based on the performance and adherence to terms and conditions.

First Party

Second Party

- This MoU can be renewed/ extended after the successful completion of the terms and conditions by both parties for the period agreed with a mutual written consent of the parties. The terms and conditions renewed/ extended agreement shall be in writing and signed by both parties.

10. COURSE FEE

The course fee shall be collected by the first party & the share of the second party shall be remitted to VLAND'S BEST Hub PVT LTD by means of DD/TT/ Cheque -All are subject to realization

11. COMMERCIAL

SRI KRISHNA COLLEGE OF TECHNOLOGY agrees to engage "VLAND'S BEST Hub PVT LTD" for providing services to train their students in SKCT campus for SKCT Mechanical Engineering Department Students.

- **The professional fee for the Professional program would be mentioned in ANNEXURE - 1**
- **But fees will change for the next batch students depending upon the economic conditions**

12. Annexure – Course fees, course duration & course stages are attached along separately & mutually agreed upon by both parties. Tentative syllabi are attached. The course schedule is as per the mutual agreement on case to case basis, depending on the needs of the students, availability & will be agreed upon before the start of each course.

13. Both Parties understood the roles and responsibilities and agrees to stand by and do the said activities to make this program a success for the benefits of the students and executives in and around Coimbatore

14. **VLAND'S BEST Hub PVT LTD** intend to provide **INTERNSHIP TRAINING PROGRAM** in foreign countries & across India for best outgoing students (Maximum 25 Nos) from the training program subjected separate terms and conditions which will be mentioned in the internship training program application.

First Party

Second Party

15. This Memorandum of Understanding is signed on 9th August 2017 at SKCT between VLAND's BEST Hub PVT LTD and 'SRI KRISHNA COLLEGE OF TECHNOLOGY' with the witnesses thereof:

16. Single point of contact from SRI KRISHNA COLLEGE OF TECHNOLOGY will be Dr.N.Natrajan, Prof. & Head of Mechanical Engineering Department and for VLAND's BEST Hub PVT LTD will be Mr.Sathish Kumar Raju, Manager.

MEMORANDUM OF UNDERSTANDING

This MEMORANDUM OF UNDERSTANDING made on 14th day of July 2017 BETWEEN the CENTRAL INSTITUTE OF PLASTICS ENGINEERING & TECHNOLOGY (CIPET) (hereinafter referred to as CHENNAI-CIPET) having its office at T.V.K INDUSTRIAL ESTATE, GUINDY, CHENNAI-32 represented by THE DIRECTOR & HEAD on the ONE PART and SRI KRISHNA COLLEGE OF TECHNOLOGY (hereinafter referred to as SKCT) having its administrative office at Ariyoli Nagar, Kovaipudur, Coimbatore -641042 represented by THE PRINCIPAL on the OTHER PART.

WHEREAS Central Institute of Plastics Engineering & Technology (CIPET), a premier National Institution under the Department of Chemicals and Petrochemicals, Ministry of

IP Princy 11/11/17

[Signature]

Chemicals and Fertilizers, Government of India with a clear focus of "Skill Development, Technology Support Services, Academic and Research (STAR)". CIPET-Chennai offers Doctoral/ Post Graduate/ Graduate/ Diploma/ Post-Diploma/ Post Graduate Diploma and various Short Term programmes in the field of Plastic and allied Industries. CIPET-CHENNAI also offers wide range of short-term skill-cum technology up-gradation programmes to meet the human resource requirements of Polymer/Allied industries in the country as well as across the globe. CIPET-Chennai envisions providing technical services such as Design, CAD/CAM/CAE , Tooling, Testing and Developmental projects to various industries.

WHEREAS SKCT is a Centre of Excellence in 'higher learning' which is unique and different not only for the guiding philosophy and values, but also for the innovative learning practices. The Autonomous institute offers post graduate courses in MBA, MCA and Engineering degree course under **Anna University, Chennai** and approved by AICTE ,

This MOU is both beneficent to CIPET-Chennai and Department of Mechanical Engineering, SKCT through conducting, participating of short term training programmers, Technical consultancy, Research and Development work, Industrial problem analysis and solving etc.

In accordance with this mutual agreement,

1. CIPET-Chennai will offer various CAD/CAM/CAE courses to the students of SKCT. The course details are listed in Annexure - I.
2. SKCT will collect the course fees towards conduct of the training programme. Proceeds will go to CIPET-Chennai and SKCT in the ratio of 90:10.
3. The Batch with 10-Students or More will avail 40% Concession for any particular course which is chosen by students
4. The total fees collected from each participant will be remitted to CIPET-Chennai. Thereafter 10% (excluding service tax) should be given back to SKCT by CIPET-Chennai before the commencement of course.
5. The course will be conducted at SKCT Campus during week days/ Week end according to student's preference.
6. All the students of SKCT under the Department of Mechanical Engineering/ Related are eligible to attend the short term training programme conducted by CIPET-Chennai.
7. SKCT will be required to arrange the necessary lab facilities and all other support required for the smooth conduct of the short term programme.

8. The students from SKCT can do their Inplant training, Internship, Project Works, Research work at a subsidized fees fixed by CIPET-Chennai.
9. After successful completion of the short term training programme as prescribed in the curriculum, CIPET will issue a certificate to enhance the career opportunities of the students.
10. Student shall have to remit the fees prescribed by the authorities (CIPET-Chennai). Revision in fee structure will be done upon mutual consent. For registration / pre-registration to selective courses application in prescribed format in advance should be submitted.
11. The MOU shall be effective from the date of execution hereof and shall remain in force for a period of five years. The MOU shall be renewable upon mutual agreement.
12. The Course Coordinator, Technical Officer (D), CAD/CAM/CAE Centre , CIPET and The HOD, Department of Mechanical Engineering, SKCT are the link officers for this programme.
13. CIPET-Chennai will make all efforts to give best training to SKCT students so that these skills are helpful to their employment and future career.

In witness whereof, each party has caused it's duly authorized representative to execute this MOU on 14th day of July 2017.

The purpose of Memorandum of Understanding (MoU) with M/s. Bluesky Hose Manufacturing India Pvt. Ltd. Coimbatore is to establish meaningful collaboration between academia and industry for addressing the global challenges and finding possible solutions by engaging experts from both the sides.

Through this MoU, both industry and academia will jointly focus on sharing latest innovations in technological world and knowing the application-oriented knowledge in specific domains.

The industry can actively participate and utilize the intellectual capabilities of the faculty of institution for fulfilling shared responsibilities and mutual growth for the larger benefit of the human society.

The technocrats from industry can offer stimulating inputs to the institution in designing need-based educational contents for efficacious teaching/training and in developing industry-ready curriculum.

Also, the institution intends to bridge the prevailing skill gap between academic output and industry expectations as well as to increase the employability skills of the students; and also to provide adequate inputs for inter-disciplinary research and development activities.

Scope of Co-operation:

- Both the institution and industry believe that this MoU between the two would be of major benefit to the student community to enhance their skills and knowledge
- The regular interaction between the industry and institution will give an insight into the recent developments/requirements of the industries. So that, students can be shaped to meet the future challenges
- The institution will periodically review the progress and make required suggestions to the top management of the industry
- Joint seminars/workshops could be arranged wherein experts can share their knowledge with the students

The Memorandum:

Accepting this premise and in recognition of the common desire for strengthening mutually beneficial co-operation, the institution and the industry do hereby agree:

- To enhance the employability skills and accumulation of domain-specific knowledge
- To facilitate students in internships and in-plant training programmes
- To engage in intellectual dialogues to know the recent technological advancements in the academics and expectations of the industry

x 

x 

- (16)
- To study the growing demands of the industry and advise the board of studies in imparting holistic education
 - To organize webinars, seminars and workshops regularly to update the advanced technologies and best practices in the industries
 - To groom the students for getting placed

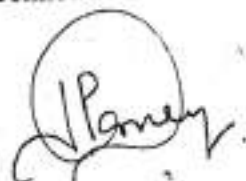

MoU:

Both the institution and industry value the spirit of this MoU and would strive continuously to develop its various features.

Signed in Duplicate

By signing below, both the institution and industry, acting by their duly authorized officers, have caused this Memorandum of Understanding to be executed effectively from 05/04/17.

MEMORANDUM OF UNDERSTANDING

BETWEEN

SRI KRISHNA COLLEGE OF TECHNOLOGY, COMABTORE
 and
 DEV INTERNATIONAL, COIMBATORE.

Preamble:

SRI KRISHNA COLLEGE OF TECHNOLOGY, Coimbatore (hereafter called "INSTITUTION") and M/S DEV INTERNATIONAL, Coimbatore (hereafter called "M/S DEV SOLAR") believe that close co-operation between an industry and technical institutions would be of considerable mutual benefit. The budding engineers from a technical institution could play a key role in technological up gradation, innovation and competitiveness of an industry. M/S DEV SOLAR can give a valuable inputs to the INSTITUTION suitably customize the curriculum and in teaching/training methodology so that the students fit into the industrial scenario meaningfully.

Another dimension to M/S DEV SOLAR co-operation will relate to the effective utilization of the intellectual capabilities of the faculty of INSTITUTION for the benefit of the industry. Through this interaction with the faculty team, M/S DEV SOLAR can provide significant inputs to them in developing suitable teaching/training systems, keeping in mind the needs of industries.

Scope of Co-operation:

- ❖ Both the **INSTITUTION** and **M/S DEV SOLAR** believe that close co-operation between the two would be of major benefit to the student community/ **M/S DEV SOLAR** Engineers to enhance their skills and knowledge.
- ❖ The Industry and the **INSTITUTION** interaction will give an insight into the recent developments/requirements of the industries. Hence the students can be moulded to meet tomorrow's challenges.
- ❖ The **INSTITUTION** will help **M/S DEV SOLAR** by deputing the senior faculty who is having both industrial and teaching experience wherever required.
- ❖ The **INSTITUTION** will review the progress and suggest to the top management/ **M/S DEV SOLAR** Engineers.
- ❖ Joint seminars could be arranged from field personalities to share their knowledge with the students.

The Memorandum:

Accepting this premise and in recognition of the common desire for strengthening mutually beneficial co-operation, **INSTITUTION** and **M/S DEV SOLAR** do hereby agree:

- Conducting regular meetings by the senior faculty of the **INSTITUTION** and **M/S DEV SOLAR** with the Engineers to develop the related quality systems for the same once in a week.
- Placement assistance and training of students can be extended by **M/S DEV SOLAR** on merit basis, for the students who successfully complete the courses.

MoU:

Both the **INSTITUTION** and **M/S DEV SOLAR** value the spirit of this MoU and would strive to continuously develop its various features.

Memorandum of Understanding (MoU)
Between

Indo Shell Mould Ltd (ISML), Coimbatore

&

Sri Krishna College Of Technology, Coimbatore

Indo Shell Mould Ltd (ISML), having their registered office at A-9, SIDCO
Industrial Estate, Coimbatore-641 021.

And

Sri Krishna College of Technology, Kovaipudur, Coimbatore-641 042, Tamil Nadu.

Wish to enter into a Memorandum of Understanding (MoU) for establishing,

"On the Job Training Programme" in the premises of Indo Shell Mould Ltd.

Purpose of MoU

- Both parties shall co-operate during the continuance of this MoU in accordance with the terms set out herein so as:-
- To conduct On the Job Training Programme for Mechanical Engineering students by Indo Shell Mould Ltd

Obligation of both Parties:

1. ISML will provide the training for Mechanical Students for 6 months period only.
2. SKCT Students will be trained in ISML Machine shop only. (CNC, HMC, VMC, HONING Machine and Quality Control)
3. ISML will provide training for the period of 6 months to 18 students only.
4. Students shall undergo training from Monday to Saturday, 6 days a week.
5. Sundays will be holiday as declared by ISML.
6. During the training period students' attendance must be above 80% for all students.
7. SKCT Students will receive training certificate after the successful completion of 6 months of training period.
8. Students will be working on three 8-hours shifts
Shift A : 8.30AM to 4.30PM B : 4.30PM to 12.30AM C: 12.30AM to 8.30AM)
9. Company will provide the students on training, free cup of tea two times per shift.
10. Prior approval must be sought by students from ISML personnel concerned in the event of applying for leave.
11. Trainees must be present on all working days without fail at ISML.
12. Trainees are not entitled for any wages / Salary or other cash benefits.
13. ISML will pay Rs.100/- per shift as a Stipend for every trainees.
14. Trainees should follow the company Safety and working instructions without fail.
15. Trainees must follow the ISML company rules and regulations.
16. Trainees are not allowed to carry the Mobile phones inside the company premises.
17. Trainees must get their declaration form only signed by their parents to undergo training at ISML Company in three shifts.
18. In the event of accidents on the job. ISML will be responsible for providing first aid treatment only.
19. SKCT Management to take Workman Compensation (WC) Policy on behalf of Training students.

20. Trainees will be allowed to meet the trainers during the working hours.
21. No visitors will be allowed to meet the trainees during the working hours.
22. Trainers' instructions must be carefully followed by trainees at all times.

The terms of cooperation for each specific activity implemented under this Memorandum of Understanding shall be mutually discussed and agreed upon in writing by both parties prior to the initiation of that activity.

Renewal, Termination and Amendment

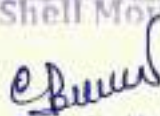

This Memorandum of Understanding shall remain in force for a period of one year from the date of last signature, with the understanding that it may be terminated by the appropriate authorities of either party giving three months notice to the other party in writing unless an earlier termination date is mutually agreed upon. The Memorandum of Understanding may be amended or extended by mutual consent of the two parties.

Skill Development and Training**

BETWEEN

**Siemens Centre of Excellence in
Manufacturing**

**National Institute of Technology
TIRUCHIRAPPALLI**

AND

**Sri Krishna College of Technology
Kovaipudur, Coimbatore**

[Signature]
Siemens CoE, NITT

Page 1 of 5

[Signature]
Sri Krishna College of Technology

The Agreement is executed on this 20th of September, 2019 (Effective Date) by and between:

Siemens Centre of Excellence in Manufacturing hereinafter called the "Siemens CoE or CoE" functioning in National Institute of Technology, Tiruchirappalli, a premier academic Institution of International repute incorporated under National Institute of Technology Act, 2007 having its permanent campus and office at Tanjore main road, National Highway 57, near BHEL, Tiruchirappalli, Tamilnadu 620015 (hereafter referred to as "NIT Trichy", which expression shall include its successors and assigns) of the first part;

And

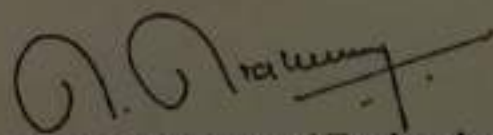

Sri Krishna College of Technology, Kovaipudur, Coimbatore hereinafter called the "SKCT" (which expression shall unless repugnant to the context or meaning thereof be deemed to mean and include its successors and assigns) of the second part;

WHEREAS:

1. The National Institute of Technology (formerly known as Regional Engineering College) Tiruchirappalli, situated in the heart of Tamil Nadu on the banks of river Cauvery, was started as a joint and co-operative venture of the Government of India and the Government of Tamil Nadu in 1964 with a view to catering to the needs of man-power in technology for the country. The college has been conferred with autonomy in financial and administrative matters to achieve rapid development. Because of this rich experience, this institution was granted Deemed University Status with the approval of the UGC/AICTE and Govt. of India in the year 2003 and renamed as National Institute of Technology, thereafter.
2. Siemens CoE established in 2018 at NIT, Trichy premises with 90% investment from Siemens and 10% investment from NIT, Trichy. The CoE operates with a primary objective of creating a robust technical education eco-system through its experience in industrial products and services. This Siemens CoE is intended to bridge today's gap between industry requirements and technical education, and provide solution that makes technical institutes be more aligned with industry needs and make engineering graduate students, industry compliant / on par with industry expectations.
3. Siemens CoE has 12 sophisticated Laboratories for Design and Validation, Advanced Manufacturing, Test and Optimization, Automation, Electrical and Energy savings, Process Instrumentation, Mechatronics, CNC Machines, CNC Controller, Robotics, Rapid Prototyping and Internet of Things through which different services are offered to Academic Institutions and Industries.

Siemens CoE, NITT

Page 2 of 5

Sri Krishna College of Technology

4. Vision - Siemens CoE

- a. To provide skill excellence through Training, R&D and Consultancy for robust Industry relevant technical education eco-system.

5. Mission - Siemens CoE

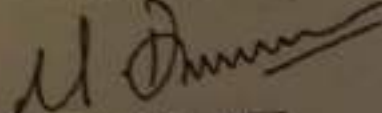

- a. To offer certified skill development programmes for enhancing placement opportunities
- b. To promote industry-academia partnership by engaging in extensive consultancy services
- c. To engage in Research and Development for societal benefits and uplift
- d. To strategically align with Institute's Vision and Mission for building the brand image of NITT

6. Details of SKCT

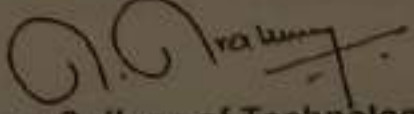

Sri Krishna College of Technology was instituted in the year 1985 – 1986. The college offers 7 UG programmes (Mech, ICE, Civil, CSE, IT, ECE & EEE) in Engineering and several PG programmes in Engineering and Management. The college is accredited with A Grade by National Assessment and Accreditation Council, Bangalore. The college has been granted autonomous status by UGC during 2011-2012 and approved by AICTE, New Delhi and has a permanent affiliation to Anna University, Chennai. Housed in an area of 51.39 acres with a total built-up area of 1,00,000 sq.m build up area. SKCT has a distinctive collegiate structure with exemplary buildings, laboratories, library, hostels and play ground where the students experience pleasant and amiable intellectual ambience.

The Siemens CoE, National Institute of Technology, Tiruchirappalli, India enters into the following Agreement to offer Skill Development, Training and other related services to SKCT.

1. Siemens CoE offers various skill development courses across different disciplines. SKCT committed/commits to send 25 number of students/faculty every year for such courses. The timing/duration of the courses shall be arrived on mutually agreed dates. The CoE offers 20-40% discount on the regular advertised course fee depending on the demand.
2. A student/faculty who has completed any CoE offered courses will be given 10 Hours of free Lab usage time after the course within one-year duration. The timing will be decided by the CoE based on the availability.
3. Siemens CoE offers the resources for student projects on chargeable basis. It is the responsibility of the faculty mentor from SKCT to monitor the progress. The CoE shall not offer any certification for such usage but shall provide an attendance certificate.
4. Siemens CoE offers Internships to students. The CoE can accommodate a reasonable number of students depending on the demand.
5. The faculty of SKCT shall submit funding/consultancy proposals quoting the Siemens CoE resources. In such cases, a NITT faculty will be the Co-PI and budgeting need to be arrived through mutual discussion before submission.

Siemens CoE, NITT

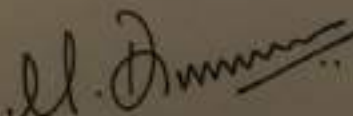

Sri Krishna College of Technology

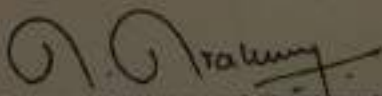

6. Siemens CoE periodically conducts workshops/symposiums/conferences etc. For such events, any participant from SKCT will get 25% discount on the Registration fee.
7. SKCT shall organize events such as workshops/symposiums/conferences jointly with Siemens CoE. In such cases, the financial implications need to be discussed and to be approved by competent authorities before the event.
8. Siemens CoE will not be responsible for safety of the students outside the NITT premises. SKCT should instruct their students clearly on the safety and precautionary measures.
9. Siemens CoE will not be responsible for loss/theft or damage of any of the student's belongings. SKCT should instruct their students clearly on the precautionary measures.
10. The implementation of specific activities will be separately agreed between both institutions on need basis.
11. Other terms and conditions which are not provided in this Agreement will be deliberated and agreed upon by the institutions hereto.
12. This Agreement is established in English language and is valid from the date of signing by the representatives of the institutions. The institutions hereto have executed this Agreement in duplicate, and each institution shall keep one copy of the originals.
13. This agreement shall be governed by and construed in accordance with the laws of India.
14. The two parties will consult each other and attempt to resolve disputes or misunderstandings that arise in the administration of this agreement informally.
15. This agreement shall be valid for a period of three years from the date both signatures are affixed to this document or before if terminated by mutual agreement of both. This agreement may be terminated by either party after one hundred and twenty (120) days following receipt of a written notification of intent to terminate by the other party.
16. If a proposal to renew this agreement is not presented before the end validity period, it will be terminated automatically at the end of three years.
17. This is a non-exclusive MoU.

SIGNED IN DUPLICATE

This MOU is executed in duplicate with each copy being an official version of the agreement and having equal legal validity.

MEMORANDUM OF UNDERSTANDING

BETWEEN

SRI KRISHNA COLLEGE OF TECHNOLOGY

AND

AD INTRA LOGS PVT. LTD

FOR

COORDINATION AND COOPERATION IN STUDENT EDUCATION
ENHANCEMENT

AD Intra Logs Pvt. Ltd, 4th Floor, 424 Red Rose Towers, DB Road, RS Puram

Coimbatore 641002, Represented By: Darshan Krishnasamy, Chief Executive Officer, (which expression shall wherever the context so admits be deemed to mean and include its successors-in-office and interest and assigns)

SRI KRISHNA COLLEGE OF TECHNOLOGY is accredited with "A" Grade by National Assessment and Accreditation Council, Bangalore. The college has been granted autonomous status by UGC during 2011 and approved by AICTE, New Delhi and has a permanent affiliation to Anna University, Chennai. The institution having its campus at Kovaipudur, Coimbatore, Tamilnadu, India represented by its Principal, Dr.A.Ramesh.

SRI KRISHNA COLLEGE OF TECHNOLOGY has an Industry interaction with their experts having technical expertise/core competence from different technical fields in the respective disciplines. It has a version to bridge the Industry-Institute gap, to increase the employability of the students, to make them meet expectations of the industry, to get their jobs and prepare them for a successful career by providing its faculty and infrastructure belongs to School of Management for doing the Research and Development activities.

The parties herein now intend to enter into this MoU to facilitate the below objectives through orientation and development for their mutual benefit.

I. PURPOSE

- This MoU establishes the goals and responsibilities of each parties to design, develop & deliver cost effective, timely training programs to students, staff of both parties and skilled workers enabling them to make better use of resources with available technology.
- This MoU shall address the talent gap prevailing in the, Marketing Research through industry-academic partnership, shall establish opportunities for students to get trained for the real field and hereby bridge the gap between academic output and Industry expectations.

II. GOALS

1. To promote coordination and cooperation between the parties for training programs.
2. To provide guidance to students to execute real time live projects based in Marketing Research
3. To improve the use of latest technology in design and development of new concepts and techniques in Functional areas of Management.
4. To provide economical benefits to both the parties.
5. To exchange ideas on latest and trending techniques through guest lectures, training programmes, workshops and seminars for AD Intra Logs Pvt. Ltd members, students, staffs and members of faculty.
6. To take steps towards creating a truly employable work force.
7. To reduce the gap between Industry and Institute, by providing Training, Solution and Projects.
8. To provide exposure to the students about the industry environment and process carried out.

III. RESPONSIBILITIES

JOINT RESPONSIBILITIES

1. Mutually bear any actual/indirect costs incurred for programs under this MoU.
2. Develop detailed procedures for implementation of this MoU jointly signed by both parties.
3. Achieve joint course curriculum design, workers training study materials jointly by both the parties.
4. Jointly organize workshops, seminars, conferences and training programs, guest lecture for students, staff, faculty and, AD Intra Logs Pvt. Ltd on topics of mutual interest.
5. Organize frequent industry-academic personnel exchanges.

IV. ASSOCIATION

1. The outcome of the internship projects in terms of Hardware and software resources shall be mutually shared between two parties.
2. Undertake to provide certificates to students for successfully completing the training programs in AD Intra Logs Pvt. Ltd member companies.
3. Impart in-plant training to the students.
4. Involve students and staff members of the college in the seminar and conferences of technical importance.
5. Support the events organized by other parties.

V. INSTITUTION

1. Assign talented faculty, AD Intra Logs Pvt. Ltd, members to spend once a week in member companies involve in both technical and non technical aspects and in turn train the students and workers.
2. Aid students in the familiarization of existing work challenges.
3. Groom technical talent at work places.
4. Support the events of the other parties.

VI. PRINCIPAL CONTACTS

The principal contacts for the instrument are

MEMORANDUM OF UNDERSTANDING
BETWEEN
SRI KRISHNA COLLEGE OF TECHNOLOGY
AND
EKARUP FINANCIAL SERVICES-COIMBATORE

EKARUP Financial Services, Coimbatore and Sri Krishna College of Technology, Coimbatore herein after referred as parties, found it mutually beneficial to have a formal understanding between them.

EKARUP experts have over a decade experience in Commodity and Stock Management services, where they help to understand the way into the market. EKARUP Investment Advisory Management Services is a premium service, offering innovative & exclusive products in the field of trading research and risk management over the past decade. Their expertise has earned the trust of thousands of high net-worth individual/ institutional investors and created a family that is constantly growing.

EKARUP brings a whole range of products to be chosen as per the requirement to put together an optimal portfolio, that fits the investment objective, time horizon and risk appetite. Today's intricate and volatile market investments require constant monitoring and attention. The demand made on the time and energy by other business may not leave with a capacity to attend the personal portfolio with the degree of care deemed as appropriate. EKARUP understands this situation and offer services taking the level of care and attention to a higher level in monitoring any portfolio.

It is all about investors' money, being guided by the experts, while investors continue with their routine life. It's simple and totally hassle free where investors always know how fast their investment is growing by assigning the right job to the right person, precisely 'A specialist'.

SRI KRISHNA COLLEGE OF TECHNOLOGY is accredited with "A" Grade by National Assessment and Accreditation Council, Bangalore. The college has been granted autonomous status by UGC during 2011 and approved by AICTE, New Delhi and has a permanent affiliation to Anna University, Chennai. The institution is having its campus at Kovaipudur, Coimbatore, Tamilnadu, India represented by its Principal, Dr.A.Ramesh.

SRI KRISHNA COLLEGE OF TECHNOLOGY has an industry interaction with the experts having technical expertise/core competence from different technical fields in the respective disciplines. It has a version to bridge the Industry-Institute gap, to increase the employability of the students, to make them meet expectations of the industry, to get their jobs and prepare them for a successful career by providing its faculty and infrastructure which belongs to School of Management for doing the Research and Development activities.

The parties herein now intend to enter into this MoU to facilitate the below objectives through orientation and development for their mutual benefit.

I. PURPOSE

1. This MoU establishes the goals and responsibilities of each party to develop more realistic trading rooms and enable the students to enhance their knowledge in investment.
2. This MoU will pave the way for advanced research in financial markets and establish opportunities for students to get trained in the real market conditions and hereby bridge the gap between academic output and industry expectations.

II. GOALS

1. To promote coordination and cooperation between the parties for training programs in the area of behavioral finance.
2. To provide guidance to students to execute real time live projects based on, behavioral finance.
3. To improve the use of latest technologies in design and development of new concepts and techniques in trading software.
4. To provide economical benefits to both the parties.

5. To exchange ideas on stock market through guest lectures, training programmes, workshops and seminars for Ekarup financial services members, students, staffs and members of faculty.
6. To take steps towards creating a truly employable work force.
7. To reduce the gap between Industry and Institute, by providing Training, Solution and Projects.
8. To provide exposure to the students about the stock market environment and process carried out.

III. RESPONSIBILITIES

JOINT RESPONSIBILITIES

C. To strengthen and create more value for the students to become aware, knowledgeable and empowered in the financial domain and also to be able to develop the skills to enable them to become self-sustained entrepreneurs, NAL and Collaborator have agreed to collaborate to achieve the aforesaid objectives as envisioned by them and more specifically defined in the scope of this Agreement.

D. NAL and Collaborator, in joint co-operation, propose to launch NSE Academy's Certified Capital Market Professional (hereinafter referred to as "NCCMP") course of 4-6 months duration to provide knowledge and awareness about the Securities Market and thereby upgrade the skills and proficiency of the younger generation.

E. The Parties hereto are desirous of putting the broad terms of the collaboration into an Agreement for the areas identified for co-operation and commit to co-operate to the fullest extent.

NOW THIS AGREEMENT WITNESSES, GOVERNS AND BINDS THE PARTIES AS FOLLOWS:

1. Definition:

1.1 "Candidate" shall mean any person who has registered himself/herself to appear for or has already appeared for NCCMP Course.

1.2 "Course" shall mean the NCCMP conducted in joint collaboration between NAL and Collaborator leading to a joint certification by Collaborator and NAL.

1.3 "Course Fees" shall mean the fees paid by each Candidate in order to register for the NCCMP.

1.4 Confidential Information means-

- a. Either Party's proprietary technology and / or software in all versions and forms of expression, whether or not the same has been patented or the copyright thereto registered, is the subject of a pending patent or registration application, or forms the basis for a patentable invention;
- b. All technical, proprietary and confidential information of either Party.
- c. any manuals, notes, documentation, technical information, drawings, diagrams, specifications, or formulas which are not intended for distribution to or use by end-users or know-how related to any of the foregoing;
- d. any information regarding current or proposed Courses, Course outline, study material, Candidates details, faculties details, business methods, financial data or marketing data which are not intended for distribution;
- e. any other written information that is clearly marked or designated as confidential or proprietary by the Party disclosing it.

2. SCOPE:

2.1 The Course titled "NSE Academy's Certified Capital Market Professional" (hereinafter referred as "NCCMP") will be launched as a 4 - 6 months Course relating to Capital Markets in joint collaboration by the Parties.

2.2 The eligibility and pre-requisite skills of the Candidates shall be such as mutually agreed between the parties from time to time. But admission procedure and selection of the Candidates shall be decided by Collaborator and NAL will be informed of the procedure.

2.3 The Course will be for a total of 100 hours (80 hours on theory and concept building and 20 hours of practical session).

2.4 To be eligible for the NCCMP certificate, the Candidate would be required to show consistent performance and successfully complete the following:

- Mid term examination scoring at least 50% marks

- End term examination scoring at least 50% marks
- Submission of project work of satisfactory quality

Students who fail to secure qualifying marks will be allowed to appear for one supplementary examination conducted by Collaborator/NAL within one month of the publication of the result. If the student fails to obtain the qualifying marks in the supplementary examination he/she may opt for a participation certificate or may appear for the examination with students of the next batch after paying an examination fee to NAL. The amount of such fee may be decided by the NAL.

- 2.5 The end term examination will be on-line and conducted by NAL in the premises of Collaborator.
- 2.6 The outline of the Course is as per enclosure given at Annexure 1 and has been decided after mutual consultation between parties.
- 2.7 At the end of the Course a joint B. Sri Krishna College of Technology – NAL certificate would be awarded to the successful Candidates by the college directly to the candidate after the final results are announced.

3 CONSIDERATION AND REVENUE SHARING:

- 3.1 The Course fees consist of base Course Fees which would be Rs. 15,000/- (Rupees Fifteen thousand only) per candidate plus service tax and any other taxes as applicable. Base Course fees can be revised in future after mutual consultation between the Parties.
- 3.2 NAL shall have choice to raise any objection or seek clarification in case of any discrepancy in the statement submitted by Collaborator as per clause 5.6.
- 3.3 Collaborator shall share 35% of gross amount of the Course/ Training fees collected from the candidates. The service tax and any other taxes as applicable shall be borne by Collaborator.
- 3.4 Based on the statement shares by Collaborator as per clause 5.6, NAL shall raise an invoice on confirmation of admission and Collaborator shall remit the part of Course Fees due to NAL within 7 (seven) days of receipt of the invoice by way of cheque/ Demand draft /online transfer payable at Mumbai.

4 RESPONSIBILITIES, OBLIGATIONS AND UNDERTAKINGS OF NAL:

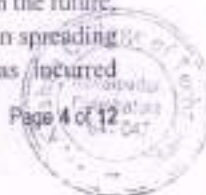

- 4.1 NAL shall take or cause to be taken all necessary steps and actions within its control in a timely manner to enable Collaborator to perform all the Services in accordance with this Agreement.
- 4.2 NAL shall grant non-exclusive rights to Collaborator to use the NCCMP and NAL's trade name and logo during the term of this Agreement only for marketing purpose and /or in such a manner as may be specified by NAL from time to time.
- 4.3 For the theoretical part of the Course, NAL shall give study material in such a form as agreed mutually between NAL and Collaborator and grant rights to Collaborator to make agreed number of copies of the same. The study material may be upgraded by NAL from time to time and Collaborator would implement the said upgraded study material.
- 4.4 NAL Academy's shall offer its on-line testing engine for conducting the end term examination.
- 4.5 NAL Shall allow the candidate enrolling for NCCMP course to appear for any one of the NCFM exam. The list of modules for the exam is as per enclosure given at Annexure 2.

5 RIGHTS AND OBLIGATIONS OF COLLABORATOR:

- 5.1 Collaborator hereby acknowledges that NSE has in the past and will continue in the future, to put in various efforts in the development of the capital markets in India and in spreading awareness and knowledge of investing in capital market, for which it has incurred

[Handwritten signature]

significant costs over a period of time. In an effort to further enhance the visibility of investing in capital markets in India and in an attempt to make the younger generation of Indians aware of the advantages and merits in investing in the Indian capital markets, NSE has formed its subsidiary NAL to carry out this initiative and NAL has decided to enter into the transaction contemplated under this Agreement. In view of this and the mutual benefits which the Parties will derive by being associated with each other in this endeavour, Collaborator on its own agrees that this engagement with NAL shall be on an exclusive basis from the date of this Agreement and that Collaborator will not associate nor undertake any work of any nature that is in direct competition with or detrimental to the Programme during the validity of this Agreement, without NAL's prior written consent.

- 5.2 Collaborator shall consult NAL and take NAL's approval before undertaking any kind of marketing with regard to the Course, specifically in instances where NAL's name, logo etc. are being used.
- 5.3 Collaborator shall admit Candidates for the Course and collect the Course Fees and conduct the Course at its premises.
- 5.4 Collaborator shall publicize and market the Course to its students and to others by way of advertisements, publicity material, brochures etc. subject to the aforesaid clause 5.2.
- 5.5 Collaborator shall co-ordinate with the Candidates and with the faculties regarding the lectures, schedule the lecture timings, conduct all assessments excluding end term examination and provide necessary assistance and guidance to solve the Candidate's queries.
- 5.6 Collaborator shall provide complete details to NAL of the Candidates enrolling for the Course, including name, address, phone numbers, email address, qualifications, work experience, class schedule etc. within 15 days of the closure of admissions. Admissions must close before the commencement of the course.
- 5.7 Collaborator should finalize the date, time and venue of the end term examinations in consultation with NAL and inform the Candidates about the same. The schedule is not normally alterable as per any individual candidate's request.
- 5.8 Collaborator shall ensure that the competencies, expertise and credentials of the faculties are such as specified by NAL from time to time. Collaborator shall specify the role and responsibilities of the faculties.
- 5.9 Collaborator shall ensure that the content of the lectures are conforming to the Course outline of the NCCMP.
- 5.10 Collaborator shall monitor the performance of the faculties for ensuring the quality of the lectures.
- 5.11 Collaborator shall highlight the significance of the NCFM (NSE Academy's Certification in Financial Markets) courses to Candidates, though it is not mandatory for the Candidates enrolling for the Course to take any of the NCFM modules.
- 5.12 Collaborator shall extend help and co-operation to NAL in developing other educational programmes in future on such terms as may be mutually agreed upon.
- 5.13 Collaborator shall appoint faculties for the Course out of its own faculties or from outside, but based on the competencies, expertise and credentials of the faculties as required for the course.

6 CONFIDENTIALITY

- 6.1 The Parties herein undertake to keep confidential and not to disclose any information (written, electronic or oral) directly or indirectly concerning the (i) transactions contemplated herein, (ii) any data relating to the Seminars which is not publicly released, and (iii) the existence of this Agreement ("**Confidential Information**"), all of which information might have been obtained or received by either Party before or during the term of this Agreement save that which is:

- a. Already in its possession other than as a result of a breach of this clause; or
- b. In the public domain other than as a result of a breach of this clause; or
- c. Was subsequently disclosed to it lawfully by a third party who lawfully obtained the same and who was not bound by any obligation of confidence in respect thereof to the disclosing party.

6.2 The Parties herein shall not disclose any Confidential Information to any third party for the term of this Agreement. All Confidential Information of the Parties shall remain the sole and exclusive property of such respective Party which disclosed it. No license under any trademark, patent rights or copyright or application for same, is either granted or implied by the disclosure of Confidential Information by either Party under this Agreement.

7 INTELLECTUAL PROPERTY

7.1 Neither party during the course of performance of this Agreement desire nor intend to transfer any intellectual property rights whatsoever with respect to any information that is proprietary.

7.2 The Parties acknowledge that they will not acquire any right, title, or interest in either party's trademarks, trade names, service marks, copyrights, patents, ideas, concepts, designs, specifications, models, processes, software systems, technologies, and other intellectual property owned or developed by either party.

7.3 All right, title and interest in and to all intellectual property in the Course outline, study material as well as term "NCCMP" or "NSE Academy's Certified Capital Market Professional" and online trading engine (hereinafter referred to as NAL properties") shall exclusively vest with NAL. Collaborator shall not use NAL's properties except to the extent as specified under this Agreement and shall not share NAL's properties with any third party. Further, it is clarified that NAL will be using NAL's properties for distribution at its discretion pursuant to any arrangement with any other institution or third party within or outside India.

8 GENERAL REPRESENTATIONS AND WARRANTIES

8.1 Each Party represents and warrants to the other that:

8.1.1 It has the full power and absolute authority to enter into, execute and deliver this Agreement and to perform its obligations and the transactions contemplated hereby and, it is duly incorporated and validly registered under the laws of the jurisdiction of its incorporation or organisation.

8.1.2 The execution and delivery of this Agreement and the performance by it of the transactions contemplated hereby have been duly authorised by all necessary corporate or other internal action of such Party.

8.1.3 The execution, delivery and performance of this Agreement does not constitute a breach of any agreement, arrangement or understanding, oral or written, entered into by it with any third party;

8.1.4 The execution, delivery and performance by it of this Agreement does not violate any statute, law, regulation, rule, order, decree, injunction or other restriction of any governmental entity, court or tribunal to which it is subject.

8.2 Each Party warrants to the other that the representations and warranties in Clause 5 hereof are true and accurate in all respects and do not contain any untrue statement of any fact or omit to state any necessary or material fact.

8.3 Notwithstanding anything to the contrary contained in this Agreement, each Party hereby acknowledges and confirms that the performance by the other Party of its obligations under and in accordance with this Agreement is interlinked with the due performance of its own duties, obligations and responsibilities under and in accordance with this Agreement.

9 INDEMNITY

Each Party agrees to indemnify and hold harmless each other from and against direct and actual losses, reasonable costs including without limitation the reasonable fees, costs of investigation, expenses, claims, damages, penalties and liabilities arising out of any claims, actions or proceedings (collectively, "Losses") which may be incurred, made against or suffered by a Party, its directors, officers, agents or employees arising directly out of or in connection with or as a consequence of (i) the non-performance of their respective obligations under this Agreement, (ii) any material breach of any representations, warranties, covenants made by either Party in this Agreement. The total liability of a Party under this Agreement shall not exceed to an amount paid to or received by the other party except in the case of liability for negligence causing death or personal injury and for fraud, fraudulent misrepresentation or deceit.

10. LIMITATION OF LIABILITY

10.1 Nothing in this Agreement shall give either party any rights to use any trade names or trademarks or any service marks (or the goodwill associated therewith) which are used by the other, save as may be authorized by the latter in writing.

10.2 Neither party shall be liable to the other for special, indirect or consequential losses or damages incurred or suffered by the other party arising as a result of or arising out of this Agreement whether in contract, tort or otherwise, even if the other has been advised of the possibility of such loss or damages.

11. TERM AND TERMINATION

11.1 This Agreement shall be valid for a period of 3 (three) years from the Effective Date.

11.2 The Agreement shall on the expiry of three years from the date of execution stand terminated without any notice by either party; however the Parties shall be entitled to renew this Agreement before its expiry through a written instrument signed by both Parties, on mutually agreeable terms.

11.3 This Agreement may be terminated (i) by mutual consent of the Parties; or (ii) immediately by a written notice by the non-defaulting party in the event the other party commits a material breach of the Agreement and is unable to rectify it within 15 (fifteen) days after receiving a written notice; (iii) immediately if Collaborator ceases to be an University affiliated institution.

11.4 This Agreement may be terminated at any time without any cause by either Party with one month written notice to the other.

11.5 Any termination under the above clauses shall not affect the rights and obligations of the Parties and the Parties shall be entitled to exercise their rights and be obliged to fulfil their obligations under this Agreement which had arisen prior to such termination.

12 CONSEQUENCES OF TERMINATION

- 12.1 Each Party shall, subject to the provisions of this Agreement, pay to the other Party on the date of termination any amount then payable by such Party under and in accordance with this Agreement.
- 12.2 The Parties shall immediately return all Confidential Information of the other Party, which is in its possession. At the request of the discloser of the Confidential Information, the receiver of the Confidential Information shall destroy all Confidential Information in its possession and to certify the same in writing.
- 12.3 The grant of the IP Material shall cease and the both Parties shall immediately return to the other Party, its respective IP Material.
- 12.4 The provisions of this Clause shall survive the termination of this Agreement and shall be without prejudice to the right of NAL to claim damages as a result of any breach by Collaborator of its duties, obligations or responsibilities under this Agreement, whether prior to or arising as a consequence of the earlier termination of this Agreement.

13 DISPUTE RESOLUTION AND GOVERNING LAW:

- 13.1 In the case of any dispute or claim arising out of or in connection with or relating to this Agreement its construction or interpretation or the rights, duties and obligations of either of the Parties hereto, or the termination or validity hereof, the Parties shall endeavor to resolve such dispute or claim through good faith discussions between the parties.
- 13.2 If the dispute or claim is not resolved through such discussions as contemplated in clause 13.1 above within 30 (thirty) days after one Party has served a written notice on the other Party requesting the commencement of discussions, then such dispute or claim shall be referred at the request in writing of either Party to binding arbitration by a panel of 3 (three) arbitrators ("the Arbitration Board") in accordance with the Arbitration and Conciliation Act, 1996 and any amendments or modifications made thereto. All arbitration proceedings shall be conducted in the English language and the seat and venue of arbitration shall be in Mumbai. The Parties shall be entitled to seek interim relief from the courts of India for which the parties submit to the exclusive jurisdiction of the courts of law in Mumbai. The Arbitration Board shall decide any such dispute or claim strictly in accordance with the governing law specified in Clause 13 below. Judgment upon any arbitral award rendered hereunder may be entered in any court having jurisdiction, or an application may be made to such court for judicial acceptance of the award and an order of enforcement, as the case may be.
- 13.3 Each Party shall co-operate in good faith to expedite (to the maximum extent practicable) the conduct of any arbitral proceedings commenced under this Agreement.
- 13.4 The costs and expenses of the arbitration, including, without limitation, the fees of the Arbitration Board, shall be borne equally by the Parties to the dispute or claim and each Party shall bear and pay its own costs, expenses, fees, disbursements and other charges of its counsel in connection with the arbitration proceedings, except as may be otherwise determined by the Arbitration Board. The Arbitration Board shall have the power to award interest on any sum awarded pursuant to the arbitration proceedings and such sum would carry interest, if awarded, until the actual payment of such amounts.

- 13.5 Any award made by the Arbitration Board shall be final and binding on both the Parties.

[Handwritten signature]

- 13.6 This Agreement shall be governed by and construed in accordance with the laws of India as applicable from time to time. Subject to the Arbitration clause herein, all legal disputes shall be subjected to the courts in Mumbai only.

14 MISCELLANEOUS

- 14.1 Neither Party shall be liable to the other for special, indirect nor consequential losses or damages incurred or suffered by the other Party arising as a result of or arising out of this Agreement.
- 14.2 The Parties shall not assign any of the rights under this Agreement, or delegate the performance of any of their obligations hereunder, without the prior written consent of the other Party.
- 14.3 No amendment, change or modification of this Agreement shall be valid unless it is in writing and signed by both the Parties.
- 14.4 This Agreement is on a Principal to Principal basis and neither Party shall describe itself as an agent, partner, joint-venture partner, employee, or representative of the other Party, or pledge the credit of the other Party in any way or make any representations or give any warranties to any third party which may require the other Party to undertake or be liable for, whether directly or indirectly, any obligation and/or responsibility to any third party or enter into contracts on behalf of the other Party.
- 14.5 If any provision of this Agreement shall be found by any court or government or administrative body of competent jurisdiction to be invalid or unenforceable, the invalidity or un-enforceability of such provision shall not affect the other provisions of this Agreement and all provisions not affected by such invalidity or un-enforceability shall remain in full force and effect.
- 14.5 Either Party may (i) extend the time for performance of any of the duties, obligations or responsibilities of the other Party (ii) waive any duties, obligations or responsibilities of the other Party contained herein. Any such extension or waiver shall be valid only if set forth in an instrument in writing signed by the Party to be bound thereby. Any waiver of any term or condition shall not be construed as a waiver of any subsequent breach or a subsequent waiver of the same term or condition, or a waiver of any other term or condition, of this Agreement. The failure of a Party to assert any of its rights hereunder shall not constitute a waiver of any such rights.
- 14.6 This Agreement will be executed simultaneously in two counterparts, each of which will be deemed to be an original but all of which together will constitute one and the same instrument.
- 14.7 This Agreement constitutes the entire understanding and agreement of the Parties, and save the Service Agreements that are to be entered into in accordance with the terms of this Agreement, any and all prior agreements, understandings, and representations are hereby terminated and cancelled in their entirety and are of no further force and effect.
- 14.8 Notice: All notices, approvals, instructions, demand and other communication given or made under this Agreement shall be in writing and may be given by electronic mail, facsimile, by personal delivery or by sending the same by pre-paid registered mail addressed to the relevant Party at its postal address, email address or fax number set out below (or such other address or fax number as the addressee has by 5 (five) Business Days prior written notice specified to the other Parties).

MEMORANDUM OF UNDERSTANDING (MOU)
Between
INDIAN INSTITUTE OF BANKING & FINANCE (IIBF), MUMBAI
And
SRI KRISHNA COLLEGE OF TECHNOLOGY, COIMBATORE

This Agreement made on Tuesday, 23rd October, 2019 between **INDIAN INSTITUTE OF BANKING & FINANCE (IIBF)**, a Company incorporated and registered under the Indian Companies Act, 1913 having its Registered Office at 2nd Floor, Tower 1, Commercial II, Kohinoor City, Kirod Road, Kurla West, Mumbai 400 070, in the State of Maharashtra, hereinafter referred to as "**IIBF**" (which expression shall, unless the context otherwise requires, include its successors and assigns) of the One Part

AND

SRI KRISHNA COLLEGE OF TECHNOLOGY, an educational institution having its office at **Coimbatore**, in the State of **Tamil Nadu**, hereinafter referred to as "**Authorised Institute**" (which expression shall, unless the context otherwise requires, include its successors and assigns) of the Other Part.

WHEREAS, IIBF is a "Not for Profit" professional body of Banks and Financial Institutions with a mission to develop professionally qualified and competent bankers and finance professionals, primarily through a process of education, training, examination, consultancy/counselling and continuing professional development programmes.

The major activities of IIBF are:

1. Education and Training
2. Testing and Certifying
3. Continuous Professional Development
4. Publications
5. Research Activities
6. Consultancy Services.

WHEREAS, IIBF has, in order to develop industry and job ready candidates employable by banks and financial institutions has launched a Diploma in Banking and Finance course equivalent to its JAIB course in a distance learning mode.

IIBF also offers certificate / diploma examinations covering niche and contemporary areas. Some of these courses which bankers / candidates opting for a career in banking & finance need to know and which will provide value addition are:

- AML/KYC
- Customer Service & Banking Codes and Standards
- Prevention of Cyber Crimes and Fraud Management
- Digital Banking
- Certificate course for NBFCs

- Certificate for Small Finance Banks
- Advanced Wealth Management
- Diploma in International Banking & Finance
- Diploma in Treasury, Investment & Risk Management
- Diploma in Retail Banking
- Diploma in Banking Technology

And whereas IIBF desires to provide counselling, coaching and conducting tutorial classes for the candidates/students enrolled for the said courses and to enable the candidates/students to prepare for the examinations being conducted by IIBF, by collaborating with and authorizing a few reputed academic/professional Institutes designated as "Authorised Institute".

WHEREAS, the "Authorised Institute" has found value in offering the Diploma in Banking and Finance and other certificate / diploma courses to its graduate / undergraduate students as a value addition and to increase their employability and agreed to provide coaching and conducting the tutorial classes to the students/candidates registering with IIBF for taking up examination for the said DB&F and other Certificate /Diploma courses on the terms and conditions hereinafter set-forth.

NOW THESE PRESENTS WITNESSETH and "IIBF" & "Authorised Institute" hereby agree as follows:

I. DEFINITIONS: For the Purpose of this MOU

- "Authorisation" means the process whereby, the Authorised Institute has been granted recognition to encourage, to enrol candidates and conduct Tuitions/preparatory classes for the Diploma in Banking and Finance and other certificate / diploma courses conducted by IIBF, through established standards of quality, as determined through an initial and periodic study and evaluation by IIBF.
- "Approval" means the process whereby, the Authorised Institute is granted a right to conduct specifically the tuition classes in accordance with the guidelines framed by IIBF.
- "Diploma / Certificate" means an award conferred by IIBF representing successful completion of the program and/or course of study.
- "Tuition" means a formally organised, structured series of classroom discussions/meetings with the students for a fee.

II. The Authorized Institute will:

1. Popularise and promote the course(s) and its/their tutorials on its own;
2. Enrol candidates for the course(s) and Tutorial Classes for the Diploma in Banking and Finance and other Diploma and Certificate offered by IIBF;
3. Conduct of classes/tutorials to the students according to teaching plan/session plan for each subject derived from the syllabus;
4. Submission of summary of feedback received from the candidates on completion of tutorial classes regarding quality of teaching, difficulties

- experienced by students, quality of courseware and study materials provided by IIBF, suggestions for improvement;
5. The Authorised Institute agrees to engage qualified faculty (Post Graduates with banking knowledge/CAIIB) who have experience and domain knowledge in the subjects concerned for conduct of classes. Brief Bio-data/CV of the faculty should be submitted to IIBF.
 6. Ensure that students have access to and can effectively use appropriate library resources; and monitor whether students make appropriate use of learning resources.
 7. The Authorised Institute should endeavour to make full use of IIBF's courseware and other study support for the Diploma in Banking & Finance course and the Diploma and Certificate courses;
 8. The Authorised Institute will register the candidates/students through the URL link using the login credentials provided by IIBF.
 9. The Authorised Institute will make bulk payment through NEFT/RTGS to the bank account of IIBF and inform IIBF the transaction details. Necessary invoice will be made available to the Authorised Institute by IIBF.

III. Deliverables from IIBF:

1. Two sets of books (six books covering all three subjects of DB&F and the courseware for each of the certificate / diploma courses) developed by IIBF will be supplied to the Authorised Institute free of charge by IIBF.
2. IIBF will make available other related publications such as IIBF Vision and Bank Quest to the Authorised Institute during the currency of the MOU.
3. IIBF will make available the schedule of suggested teaching plan for completing the course.
4. IIBF will publish the list of successful candidates in its website which may facilitate placement efforts.
5. IIBF would assist the Authorised Institute in the conduct of classes for the students enrolled for the Diploma in Banking & Finance and Diploma and Certificate examinations subject to cost and other terms to be mutually agreed between the two parties on each occasion.
6. Institute will reimburse 15% of the examination fee or Rs.500/- whichever is less on the first enrolment of the candidate for the diploma / certificate course to meet the expenses of the Authorised Institute to promote the course.

IV Course Delivery:

1. For the Diploma in Banking & Finance examination, each of three papers should have at least a minimum of 45 hours of instruction per term as per the session plans developed by IIBF. The session plan for the certificate /diploma examinations will also be as finalized by IIBF as and when required by the Authorised Institute. The classes could be held during evening hours and/or weekends as per the convenience of the Authorised Institute. The Authorised Institute could cover the content of the syllabus of Diploma in Banking & Finance / certificate / diploma courses as part of its regular courses also.
2. The entire syllabus should be covered from the angle of imparting knowledge and not from the limited perspective of examination only.

3. The Faculty of the Authorised Institute should assume responsibility for, and exercise control over, the courses ensuring both the rigour of programmes and the quality of instruction.
4. IIBF may hold Trainers Training Programme for the Faculty on a fee basis.

V. Limitation of Liability:

IIBF specifically disclaims any liability, whether based in contract, tort, or otherwise, for any direct, indirect, incidental, consequential, or special damages arising out of or in any way connected with access to or use of the publications.

VI. Other Conditions:

1. IIBF reserves the right to revoke accreditation if the "Authorised Institute" does not meet the required standards.
2. Both IIBF and the Authorised Institute agree not to use the Logo/Name of each other except with specific prior approval.

VII. Validity:

The Accreditation is valid for a period of three years from **23/10/2019 to 22/10/2022**. It will be, thereafter, extended for a suitable period after a review/due diligence study subject to mutual acceptance.

VIII. TERMINATION:

The "Authorised Institute" further agrees and confirms that

1. the termination or sooner determination of breach of these presents under this Agreement confers upon IIBF an unequivocal right to entrust the conducting of coaching/tuition classes to any other Institute/professional organization duly authorized, as the case may be; and
2. The termination of these presents will bring an end to all the rights and duties/obligations undertaken, and that it shall not conduct any such coaching/tutorials or solicit or venture into any commercial enterprise in the name of IIBF or using its name and/or Logo.

IX. GENERAL PROVISION:

Timely and successful completion of coaching/tuition pursuant to the terms and conditions stipulated hereto is the essence of this contract.

X. NOTICE:

All notices or other communications required or permitted to be given to either party pursuant to this Agreement shall be in writing and shall be sufficiently served, if delivered personally or sent by post/courier.

XI APPLICABLE LAW & JURISDICTION:

The Agreement shall be governed by the Law of the land. Only the competent Courts in Mumbai, in the State of Maharashtra have jurisdiction to try any dispute arising out of the contract between the Authorised Institute and IIBF.

IN WITNESS WHEREOF, the Authorised Institute and IIBF have signed this Agreement on the day and date first herein above mentioned.

IIT Bombay

Agreement between Sri Krishna College of Technology (SKCT), Coimbatore, Tamil Nadu & Spoken Tutorials (ST), IIT Bombay

We are happy to announce the collaboration between Sri Krishna College of Technology, Coimbatore, Tamil Nadu and IIT Bombay Spoken Tutorial program. From the day of agreement Sri Krishna College of Technology, Coimbatore will function as Spoken Tutorial IIT Bombay's Nodal Resource Centre (NRC) for Coimbatore Region. As an NRC Sri Krishna College of Technology will Nurture and spread awareness among the Colleges (the clusters) in Coimbatore and surrounding Districts. The entire program will be handled from Spoken Tutorial Team. The Spoken Tutorial activity is funded by the National Mission on Education through ICT, MHRD, Government of India, through the Talk to a Teacher Project at IIT Bombay.

As a part of agreement,

Sri Krishna College of Technology, Coimbatore, Tamil Nadu will -

- Identify a Chief Central Coordinator from the College who will actively work and co-ordinate with Spoken Tutorial team, IIT Bombay to roll-out and introduce the program.
- Put up the signed agreement note on the Sri Krishna College of Technology, Coimbatore website along with Spoken Tutorial site link along with Tamil Nadu's manager's contact details.
- Setting up a NRC team of minimum 2 Faculty Organisers & 2-3 student volunteers to facilitate the Training session / workshops in colleges.
- Identify a group of minimum 10 Colleges (clusters) whom you will guide and nurture to introduce and systematically conduct Spoken Tutorial activities at their premises.
- Issuing notifications to College Principal(s) to introduce and roll out the Spoken Tutorial Open Source software training in colleges immediately after the NRC is set up.
- Hold a Faculty Awareness Event in 2017 for Principals & faculty from colleges in Tamil Nadu & if possible in other states. (February 2017)
- Incorporate the relevant FOSS series Tutorials in the course curriculum of Sri Krishna College of Technology, Coimbatore and motivate other colleges to do the same in their time-tables, wherever feasible.

As a Partner, the Spoken Tutorial Project, IIT Bombay will -

- Work as a mentor for Sri Krishna College of Technology, Coimbatore, Tamil Nadu.

- Provide the know - how and course content which includes CDs/ DVDs, online material, instruction sheets and other training documents to Sri Krishna College of Technology, Coimbatore, Tamil Nadu at free of cost.
- Provide certificates.
- Provide the promotional materials like posters, brochures, leaflets, banners etc., to the Centre, Sri Krishna College of Technology, Coimbatore, Tamil Nadu and the colleges free of cost.

General

- This agreement can be modified from time to time, if necessary, based on mutual agreement.

MEMORANDUM OF UNDERSTANDING

between

Sri Krishna College of Technology, Coimbatore

and

Besant Technologies, Chennai

Preamble

Sri Krishna College of Technology, accredited with "A" Grade by National Assessment and Accreditation Council (NAAC), Bangalore, has been granted autonomous status by UGC in the year 2011. The college was approved by All India Council for Technical Education (AICTE), New Delhi and has permanent affiliation to Anna University, Chennai.

The purpose of Memorandum of Understanding (MoU) with **Besant Technologies, Chennai** is to establish meaningful collaboration between academia and industry for addressing the global challenges and finding possible solutions by engaging experts from both the sides.

Through this MoU, both industry and academia will jointly focus on sharing latest innovations in technological world and knowing the application-oriented knowledge in specific domains.

Industry can actively participate and utilize the intellectual capabilities of the faculty of institution for fulfilling shared responsibilities and mutual growth for the larger benefit of the human society.

The technocrats from industry can offer stimulating inputs to the institution in designing need-based educational contents for efficacious teaching/training and in developing industry-ready curriculum.

Also, the institution intends to bridge the prevailing skill gap between academic output and industry expectations as well as to increase the employability skills of the students; and also to provide adequate inputs for inter-disciplinary research and development activities.

Scope of Co-operation:

- Both the institution and industry believe that this MoU between the two would be of major benefit to the student community to enhance their skills and knowledge
- The regular interaction between the industry and institution will give an insight into the recent developments/requirements of the industries. So that, students can be shaped to meet the future challenges
- The institution will periodically review the progress and make required suggestions to the top management of the industry
- Joint seminars/workshops could be arranged wherein experts can share their knowledge with the students

The Memorandum:

Accepting this premise and in recognition of the common desire for strengthening mutually beneficial co-operation, the institution and the industry do hereby agree:

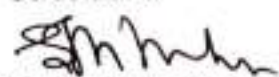

- To enhance the employability skills and accumulation of domain-specific knowledge
- To facilitate students in internships and in-plant training programmes
- To engage in intellectual dialogues to know the recent technological advancements in the academics and expectations of the industry
- To study the growing demands of the industry and advise the board of studies in imparting holistic education
- To organize webinars, seminars and workshops regularly to update the advanced technologies and best practices in the industries
- To groom the students for getting placed

MoU:

Both the institution and industry value the spirit of this MoU and would strive continuously to develop its various features.

Signed in Duplicate

By signing below, both the institution and industry, acting by their duly authorized officers, have caused this Memorandum of Understanding to be executed effectively from 30/10/2017.

Signed on behalf of 30.10.17
Sri Krishna College of Technology
